Under rule 118 of the Madras
Local Rules, Muhammadan and
Hindu are undergoing training as teachers
at a higher stipend than ~~other~~ ^{Caste} ~~other~~
teachers. Recently there was a proposal
to increase the rate of stipend to all
teachers undergoing training, ^{but} ~~the~~ ~~proposal~~
the ~~late~~ ^{late} Minister was not
in favour of any increase. The
proposal was accordingly vetoed. Please
in this connection the note at

The following Special Mistakān exist for the training of Panchama teachers:-

- (1) Govt. Panchama Training School, Medinipur
- (2) Training Class attached to the

Heath Panchama Training School, and
(3) The Panchama Section of the
American Mission Training School, Pasumalai.
From the police marked A at page 2
of G.O. 1265, (San Remo) d. the 9.9.21 it will
be seen that the S.P. 9. is now in
favour of insisting upon the admission
of Panchamas into the ordinary training
schools than of opening special
schools for Panchamas.

U.O. Reply No.

With regard to (a) I am in favour of stipends
paid
being to teachers under training at approximately
the same rate as these teachers would earn while
employed as untrained teachers.

With regard to (b) I have no special informa-
tion. Teachers and students who are not in receipt
of a competence are generally ill-clad.

With regard to (c) I do not recommend that
the suggestion be accepted. Village school-masters
of other communities than Panchamas are as poor as
Panchama teachers and are as much in need of a set
of clothing. If we once start giving clothing it
will be difficult to know where to stop and the
expense would be enormous.

I suggest as the answer to (d)---

Answer (a) of the question

Please see office note at page 3 and.

The D.P.D. is however in favour of increasing
the rate; but it may be noted that
he merely reiterates what he
proposed in 1920 - vide para 3 of his
letter at page 2 of G.O. 216 d. 10.2.21.

2. The following draft answer is
subd. for consideration:-

Draft Answer.

"(a) Muhammadan and Panchama
students undergoing training in
training schools are ^{already} in receipt of
higher stipends than caste Hindus
and Govt. see no reason to enhance the
rates, still further."

(b) The Govt. have no information

(c) The Govt. are unable to
substantiate the suggestion.

(d) Training schools are intended
for all teachers, not for caste teachers
alone

(e) It is more desirable to admit
Panchamas into the ordinary training
schools than to open special
schools for Panchamas.
