Sir,

In resubmitting herewith endorsement R.O.G.O.C.No.

2/1921 dated 8th March 1921 of the President, District Board, Tinnevely, I have the honour to recommend the request of the President to sanction the diversion of the surplus of Rs.800/- out of the provision of Rs.1019/- being the net cost of the school sanctioned in G.O.No.902 Home(Edn) dated 10-8-1920. 2. I also recommend the Board's proposal to incur an expenditure of Rs.2400/- towards the equipment of the school, the President being advised to take this amount into account in the calculation of the net cost of the school.

I have the honour to be,

Sir,
Your most obedient servant.

Sir,

(E) In G.O.No.902 Home (Education) Department dated 10th August 1920, sanctioning among others the opening of the Board Middle School Kadianallur, an allotment of Rs1000/- has been made for equipment and Rs1020/- towards meeting the net cost for 1920-21.

Now, with this Rs1000/- the school has been partially equipped with the following articles of furniture:-

Name of article.	Number.	Rate.	Total cost.
Dual desks.	22.	Rs35.	Rs770.
Tables.	5.	Rs25.	Rs125.
Black-boards,	5.	Rs11.	Rs55.
Chairs.	5.	Rs10.	Rs50.
			<u>Rs1000.</u>
			Total.

The Headmaster of the school has reported that the furniture that has been supplied is wholly inadequate to meet the needs of the school. The school has also not been provided with books, maps or appliances. He has therefore sent an indent for the same along with another for furniture. His proposals which have been approved by the Inspector of Schools, XI Circle (See copy of his endorsement

-----2-----

endorsement enclosed) are summarised below.

Abstract.

	Rs-	as-	ps.
1. Scientific apparatus and chemicals.	302-	4-	0.
Geographical appliances.	191-	6-	0.
Gymnastic appliances.	100-	0-	0.
Nature-study appliances.	37-	8-	6.
Books for teachers and pupils.	118-	4-	6.
Periodicals etc.	45-	0-	0.
Total.	794-	7-	0.

2. Packing and railway fare. roughly. 130 - 9 - 0.
(from Ambala cantonment etc)

3. Furniture.

Name of article.	Number.	approximate cost of each article.	Total cost.
Almirahs.(glass)	2.	Rs80.	Rs160.
Almirahs.(wooden)	1.	Rs75.	Rs75.
Chairs.	5.	Rs10.	Rs50.
Tables.	2.	Rs25.	Rs50.
Dual desks.	53.	Rs35.	Rs1855.
Benches with back.	4.	Rs18.	Rs72.
Benches without back..	1.	Rs13.	Rs13.
Total			Rs2275.

So on the whole an additional amount of Rs3200/- is urgently required for the school. As the institution was started late (on 3rd January 1921) it is not likely that the whole of the Rs1020/- provided for net cost will be required this year. And it is expected that Rs800/- at least might remain over.

I therefore request that I may be permitted to divert this surplus of about Rs800/- for the purchase of books, periodicals, maps and appliances, and that a further allotment of Rs2400/- be made immediately towards urgent equipment of the school to enable me to make early arrangements for the supply of furniture for the lack of which many pupils are forced to sit

on the bare floor now.

I therefore request early telegraphic orders as the school-need is very urgent.

I have the honour to be,

Sir,

Your most obedient servant,

I have again seen again the indent for books, apparatus etc. I have also seen the indent for furniture. All the things in these two indents are absolutely necessary and urgently needed, and additional allotment that may be necessary towards their immediate supply may be applied for at once.
