Sir,

Ref:-- Your letter No. Edl 47/21 dated 17-9-21 regarding
funds for supply of slates and Books to Panchama
Institutions of Salem District.

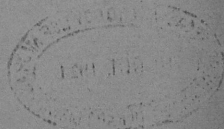

-----0-----
I regret I am unable to find the money required for the
supply of books ^{and} ~~and~~ slates to Panchama Institutions in Salem District.
The money placed at my disposal in this year's Budget for Panchama
schools is all required for the three Districts where I have a -
a special establishment at work (Tanjore, Godavari, and ^{ing} ~~Choleput~~) and
and for Madras City.

"I have the honour to inform you that when I inspect Panchama Schools in this District I generally find that work in the schools is very much hampered by the insufficiency of books and slates which the parents declare they are too poor to provide their children with. It is quite common to find a large class of as many as 20 children with only one or even no slate between them and the teachers' copy of the reader in use, frequently has to do duty for the whole class as well.

2. In the case of Board schools the Taluk Boards plead want of Funds if the suggestion of a free supply of Books and slates is made. I therefore address you in the hopes that you may be able to do something to remedy this defect in Panchama schools"
