It has not hitherto been usual to obtain from the Syndicate a statement of the expenditure involved in proposals of this nature. The expenditure must however be kept within the ~~allowance~~ sum of Rs 12,000 sanctioned by the Govt of India. If it is considered necessary to call for an estimate of the expenditure in the present case,

UNIVERSITY LECTURES.

Mr. P. V. Seshu Aiyar moved:—
 "That sanction be accorded for a course of six Special University lectures on "Recent Progress in Physics" to be delivered in Madras in January 1922 by Prof. C. V. Raman, M. A., F.R.S., Professor of Physics in the University of Calcutta, the cost of the lectures being defrayed from the annual recurring grant of Rs. 65,000 by the Government of India."

Mr. Satyamurti in seconding the motion was glad that Madras after all had begun to recognise the talents of its old graduates. While the Calcutta and other Universities were encouraging research and founding research scholarships, he added the Madras University was examining and re-examining, valuing and re-valuing.
