From (Name) R.G. Grieve Esq., M.A.,

(Designation) Ag. Director of Public Instruction,

To The Secretary to the Government of Madras,

Home (Education) Department.

Sir, through the Accountant General, Madras.

With reference to para. 2 of G.O. No. 382 Home (Education) dated the 15th March 1921, I have the honour to submit for the sanction of Government the following proposals for the revision of staff and establishment of the Government Training School for women, Conjeevaram.

2. In G.O. No. 762 Home (Education) dated 1st July 1920 sanction was accorded to the proposal to open a higher elementary training school in connection with the Government Girls'

Girls' School at Conjeevaram, but for the reasons explained in my letter R.C.No. 217/21 dated 5th March 1921, the school could not be opened. Now that the difficulty of accommodation has been overcome by the transfer to this department of the R.B.A.N.M's elementary girls' school in the locality with its building and the adjoining choultry (vide G.O.No. 382 of 1920 (Education) dated 15th March 1921), I recommend that the training school may be opened in these buildings, the R.B.A.N.M's Girls' School be also taken over under departmental control as a practising school for the training department.

3. The reasons for locating the training school at Conjeevaram have already been explained by Mr. Littlehailes in his letter R.C.No. 317/20 dated 23rd April 1920. It is advisable as well as economical, I consider, to open in this spacious building a training department sufficiently large to meet the needs of Chingleput, North Arcot and Chittoor Districts by admitting 100 students for training. I accordingly recommend that the number of stipends may be increased to 100.

4. As a Secondary School does not afford the requisite facilities for the practical work of the lower elementary students under training, I propose to close the lower elementary section of the Government Secondary and Training School, Triplicane, with effect from the 1st July next. The present lower elementary junior class in the school which will be the senior class next year, will be transferred to Conjeevaram. If this proposal is approved, the post of additional assistant on Rs.75-5-100 in the training department of the Triplicane School may be abolished with effect from the 1st July 1921.

5. In the training department of the Conjeevaram School there will be 5 classes including the preparatory class for which

which at least 5 assistants of the secondary grade with a trained graduate headmistress are necessary. In addition, provision should also be made for a drawing mistress, a sewing mistress and a music teacher. The R.B.A.N.M's Girls' School has 8 sections in 6 standards for which at least 8 assistants of the secondary grade are required. Provision will also have to be made for a clerk and two peons. I therefore recommend the following scales of staff and pay for the school:-

Training Department

Headmistress (B.A., L.T)	Rs. 125-5-150-10-250
5 assistants (secondary grade)	Rs. 45-3-90, 90-6-120
Drawing mistress	Rs. 45-3-90
Sewing mistress	do
Music teacher	do

Model school

8 assistants (secondary grade) Rs. 45-3-90

Common.

Clerk Rs. 30-30-2-50-1-60
2 peons each on Rs. 12

6. As one model school cannot offer adequate scope for giving sufficient and satisfactory practical training to 100 students, I propose to utilise also the Government Girls' School in the locality as an additional practising school for the higher elementary students. There are now 6 standards in the school with a staff of 5 teachers for whom provision for salaries has been made in the Budget Estimate for 1921-22 according to the scale of Rs. 45-3-90 proposed for secondary grade women teachers. As there should at least be a teacher for each standard in the model school, I recommend that an additional teacher on Rs. 45-3-90

be sanctioned for the school.

7. The sanctioned scales of staff and pay ~~for~~ of the Government Training School, Conjeevaram, and the Government Girls' School, are as detailed hereunder:-

<u>Government Training School</u>		Rs.
Headmistress		125
2 Assistants each on		60
3 Assistants each on		40
1 Music teacher		40
1 clerk		20
1 Peon		9

<u>Government Girls' School</u>		
Headmistress		30
1 Assistant		20
1 ..		14
2 Assistants each on		13
1 peon		8

8. One of the 5 assistants of the secondary grade in the training department will not be required till July 1922 when the Higher Elementary Senior class will be formed. The expenditure on account of staff for 8 months from the 1st July 1921 in 1921-22 will therefore amount to Rs.7192, against which there is a budget provision of Rs.6672 for the salaries of the teachers of the training department of the school. The balance of Rs.520 will be covered by the savings of Rs.800 effected by the abolition of the additional assistant on Rs.75-5-100 in the Triplicane School, so that no extra expenditure is involved by these proposals during the year 1921-22. There will be no additional expenditure under stipends this year, as the Higher Elementary senior class will be formed only in 1922-23.

9. As the provision of suitable hostel accommodation is an essential

essential condition of the success of the new training school, I strongly recommend that hostels may be opened for both Hindu and Indian Christian students under training. The Hindu Hostel may be opened in the choultry adjoining the R.B.A.N.M.'s Girls' School which can accommodate 70 boarders, while the Indian Christian hostel may be opened in the rented building which was till recently occupied by the Government Girls' School and which is now available for locating a hostel for 30 boarders. For the former hostel I consider it necessary to employ a full-time Superintendent on Rs.40 per mensem, while for the latter I propose to appoint the headmistress of the Government Girls' School as superintendent with an allowance of Rs.20 per mensem. Considering the high cost of living at Conjeevaram which is a place of pilgrimage, these rates seem necessary and reasonable. In addition, the following expenditure has also ^{to} be met from provincial funds:-

<u>Hindu hostel</u>		Rs.
<u>Recurring</u>		
Nightwatchman		8
Sweeper		4
Scavenger		4
<u>Non-recurring</u>		
Initial equipment		600
<u>Indian Christian hostel</u>		
<u>Recurring:-</u>		
Nightwatchman		8
Sweeper		4
Scavenger		4
Rent		20
<u>Non-recurring</u>		
Initial equipment		400

The annual recurring expenditure on behalf of the hostels will amount to Rs.1344, while the expenditure in 1921-22 will amount to Rs.1896. This can be met partly from the anticipated

savings

savings out of the provision made for rent on account of the
Conjeevaram Training School and partly by reappropriation.

I have the honour to be,

Sir,

Your most obedient servant,

Andampall

3. Proposal (3) above may also be approved but since it is proposed to discontinue both the Junior and Senior Lower elementary training classes in the Triplicane School, the D.P.D. may be requested to state whether two posts of teachers may not be abolished in that school.

4. Proposal (4) on p. 1 a/c. The existing scale of staff is compared below with that now proposed by the D.P.D.:

<u>Present Scale</u>	<u>Proposed Scale</u>
<u>Training Section</u>	
(1) Headmistress on Rs 125 + 25 (temp. asst)	(1) Headmistress B.A. H.T. on Rs 125.5.15 + 16.250
(2) Two assistants on Rs 60 + 18 each	(2) 5 assistants on Rs 45.3.90 (secondary grade) - 90 - 6.126.

(5) —	
<u>Model School</u>	
(6) —	(6) Eight asst. (Det. grade) on Rs 45.3.90.
<u>Common</u>	
(7) Clerk on Rs 20 p.m. (+ 10)	(7) Clerk on Rs 30.30.2.50 + 20
(8) one peon on Rs 9 + 4 1/2 p.m.	(8) Two peons on Rs 12 p.m. each
<u>Govt. Girls' School</u>	
(9) 5 Teachers 1 (30); 1 (20) 1 (14) + 2 (13) with temp. assistants to pay	(9) Six Teachers on Rs 45.3.90 p.m. each
(10) one peon on Rs 8 + 4 p.m.	(10) one peon on Rs 12 p.m.

From the foregoing statement it will be seen that it is proposed -

(a) to employ the following additional staff -

(1) one Drawing Mistress

(2) one Sewing Mistress

(3) nine teachers of the Sec. I grade

} all on Rs 45-3-90
each with a provision
for a 5% increase

and (4) one peon on Rs 12 p.m. (apparently without temporary addition to pay)

and (b) to revise the scale of pay of the existing staff

The additional staff proposed may be sanctioned. The scale of pay, proposed for ^{teachers} them is the same as that recommended by the D.P.D. in the file relating to the fixing of the standard scales of pay for women teachers etc. Pending orders thereon the pay of the teachers may be fixed at Rs 45% inclusive of the temporary ^{p.m. each} additions to pay. (The scale of Rs 45-3-90 for Secondary grade teachers in elementary schools was suggested by Mr. Kuepp and accepted by an order in Council.)
The pay proposed for the peon does not call for remarks.
The revision of the pay of the existing staff may be deferred till orders are passed on the general revision.

5. Proposal (5) on p. 1 ante

The employment of a full-time Supdt. for the Hindu Hostel may be accepted. For the Hostels at Cuddalore and Vellore a full-time Supdt. on Rs 30 p.m. only was sanctioned.

Nil from 30/2/90

442 723-3-21

(6)

Though Conjeevaram is a place of pilgrimage it is doubtful whether the prices there are so considerably higher than at Cuddalore and Nellore as to justify a remuneration of Rs 40 p.m. The D.P. may be asked to consider this question further.

The proposed allowance of Rs 20 p.m. for the ~~Headmaster~~ ^{Superintendent} of the Indian Christian Hostel may be sanctioned - For a precedent vide G.O. 473 D 20.3.21.

6. Proposal (b) n.p. 1 ante - is in accordance with precedents and may be sanctioned. cf. G.O. 442 D 22.3.21.

Govt. Training School for

- correspondence ending with the
D.P.O's no. note no. 30 W.B/21 of 2.5.21-

In para 1 of this no. note,
the Director ^{has} stated that two posts of
teacher ^{at present} cannot be abolished in the
Triplicane School since the secondary
grade training has been increased
from one year to two years and
an additional teacher is required
for the secondary grade training in
that school. The Director may be
requested no. to consider and report
whether another teacher also cannot
be abolished with effect from next
year.

2. The Director has
suggested a pay of Rs. 45-3-90 for
both the Drawing and the Sewing
mistresses proposed for the school.
Pending the introduction of the revised
standard scales of pay, it would
appear enough if the rates of pay
in

18 II 2 18
in force in other similar schools are
adapted. The Director may be requested

to state whether the pay of the
Drawing and the Sewing mistress

may be fixed at Rs. 40
and Rs. 30 p.m. respectively as in

the case of the Govt girls' schools at
Cannanore. (G.O. No. 666 Edn 2274-2)

It is, I regret, not possible to abolish with
effect from next year any post, since there will be
always at least 4 sections in the Secondary and
Higher Elementary Training classes.

The suggestion to sanction a fixed pay for
the Drawing and Sewing Mistress may be accepted at
the present. I suggest, however, that the pay be
fixed at Rs. 40 per mensem as in the case of the
Government School at Mayavaram where conditions
are more similar to those prevailing in Conjeevaram
than are the conditions prevailing in Cannanore.

The only points for consideration are the following:-

(1) Abolition of a second teacher's post in the Govt. Secondary & Training School, Triplicane:

Para 4 of Finance note on pages 8-9 ante.

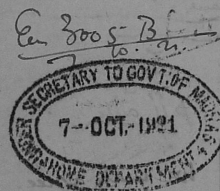

The D.P.I. does not consider it possible to abolish another teacher's post, with effect from next year. The Law (Edn) Dept. concurs in this view.

(2) Pay of the Sewing & Drawing Masters:

The Director originally proposed a pay of Rs 45-3-90 for both the Drawing and Sewing misthems. The Law (Edn) dept says that this is the same as the standard scale recommended by the D.P.I. in the file relating to the fixing of standard scales of pay for women teachers etc. which is under separate consideration. Pending introduction of revised scales the Law dept. suggested fixed rates of pay for these misthems. The D.P.I. now suggests Rs 40+12 temporary increase or Rs 52 p.m. which is more than the minimum (Rs 45) in the standard scale proposed for them. If this is so, the pay of the Drawing and Sewing misthems should be restricted to the minimum of Rs 45 p.m.

Subject to this remark the draft order may be accepted and the sanction registered as to 296 of 1921-22.

The extra cost involved in the scheme is Rs. 11,000 and odd per annum - page 7 ante. The scheme may therefore be placed before the Fin. Committee.

NOTE FOR THE FINANCE COMMITTEE.

[SUBJECT.—Government Training School for Mistresses, Conjeevaram.]

Proposals of the Director of Public Instruction.

In July 1920 the Government sanctioned the opening of a higher elementary training school for mistresses at Conjeevaram in connexion with the Government girls' school there at a recurring cost of Rs. 14,968 per annum as shown below:—

	RS.
One head mistress	125
Two assistants on	60 each
Three assistants on	40 "
One music teacher	40 "
One clerk	20
One peon	9
Total	434 per mensem or 5,208 per annum.
60 stipends at Rs. 10½ each per mensem	7,560
Rent	1,200
Contingencies	1,000
Total	9,760 per annum.
Grand total	14,968 per annum.

Pending the provision of suitable accommodation for opening hostels for the students undergoing training the opening of the training school had to be kept in abeyance. The trustees of the Rai Bahadur Arcot Narayanaswami Mudaliyar's girls' school at Conjeevaram have since placed their school building and the adjoining choultry with all the furniture therein at the disposal of the Educational Department. It is now proposed—

- (1) to open the training school and two hostels one for Hindus and the other for Christians in those buildings,

SUMMARY OF THE PROCEEDINGS OF THE FIFTH MEETING OF THE
STANDING FINANCE COMMITTEE OF THE MADRAS LEGISLA-
TIVE COUNCIL HELD ON MONDAY, THE 14TH NOVEMBER 1921,
AT 12 NOON AT THE CABINET CHAMBER, FORT ST. GEORGE.

PRESENT :

The Hon'ble Sir Charles Todhunter, K.C.S.I., I.C.S., *Chairman*.
M.R.Ry. O. Thanikachalam Chettiyar Avargal, M.L.C.
" C. Natesa Mudaliyar Avargal, M.L.C.
" T. A. Ramalingam Chettiyar Avargal, M.L.C.
" T. C. Srinivasa Ayyangar Avargal, M.L.C.
" Diwan Bahadur M. Krishnan Nayar Avargal, M.L.C.
The Raja of Ramnad, M.L.C.
Mr. Abbas Ali Khan, M.L.C.
Dr. Gilbert Slater, M.L.C.

The following officers were also invited to be present :—

- (1) Mr. J. Tate, Executive Engineer, on special duty in connexion with the Hydro-electric Surveys.
- (2) M.R.Ry. R. Narasimha Ayyangar Avargal, Under Secretary to Government, Public Works Department (Irrigation).
- (3) Mr. K. R. Sadasiva Rao, Examiner of Local Fund Accounts.

Before the regular proceedings of the Committee commenced, the Raja of Ramnad inquired why the rate of interest on the loan to the Tinnevely District Board for the relaying of the Tinnevely-Tiruchendur line had been fixed at $7\frac{1}{2}$ per cent. The Chairman explained that before the commencement of the year the Government had had no idea as to the rate at which they would have to borrow and that the rate of $7\frac{1}{2}$ per cent was fixed so as to cover the extreme case and that they were now considering the reduction of this rate to $6\frac{1}{2}$ per cent. It was also pointed out that, should it be decided not to repay to the Government of India the loan of 40 lakhs next year, it might be necessary to charge a higher rate than $6\frac{1}{2}$ per cent.

2. The following subjects were discussed by the Committee :—

- (1) Opening of a training school for mistresses at Conjeevaram; and
- (2) Deputation of the Secretary to the Madras Legislative Council to England to study Parliamentary procedure.

The Committee approved these proposals.

3. *Additional allotment of funds for Hydro-electric surveys*.—Mr. J. Tate explained to the Committee that the scheme was for investigation of resources of water power and likely to produce good results and that there was urgent necessity for the additional allotment applied for. After some discussion the Committee approved the proposed expenditure by reappropriation of a sum of Rs. 31,000 in the current year, but wanted a statement to be furnished to them showing the details of the several items constituting the scheme. This was promised. It was explained to the Committee that if in the discussion of the budget it was found that economy was necessary in respect of these schemes, the line to follow was to finish schemes already undertaken and to open up no new enquiries.

4. *Appointment of stipendiary first-class Magistrates in the towns of Madura and Trichinopoly*.—The Committee considered that the scheme might be deferred for the present as there was no special urgency for it.

5. *Revision of pay of jailers employed in the Jail Department*.—The Hon'ble the Law Member explained to the Committee the need for paying the jailer staff a fair salary to keep them free from corruption and to maintain discipline in jails which of late was becoming increasingly difficult. He pressed for the acceptance of the scales originally proposed by Government. The Committee approved the scales but suggested that a Selection Board might be appointed to choose deputy jailers. The Law Member promised to consider this suggestion.

6. *Additional staff sanctioned for the Examiner of Local Fund Accounts*.—The Committee agreed to the continuance of the temporary establishment already sanctioned.

The scheme for the transfer of Treasury work to the Indian Audit Department was then referred to; and the Committee desired that the Hon'ble Mr. Lloyd who is on special duty in this connexion should be asked to examine the question of introducing a district concurrent audit (i.e., pre-audit) under the Examiner of Local Fund Accounts which would involve the abolition of the local Audit branch of the District Treasury, so that only the general Treasury work would be transferred to the control of the Auditor-General.

7. The following resolutions affecting Financial matters were also discussed in the Committee:—

(i) Resolution No. 152 regarding modification of the scale of pay of lower division clerks in the mufassal from 35-1½-50-1-60 to 35-1½-50-2-60.—The Committee were not in favour of the resolution.

(ii) Resolution No. 155 regarding fixing the initial pay of peons and dalayats in the Revenue Department by taking into account past service.—The Chairman explained to the Committee that in giving effect to the new scale their pay would be fixed on the basis of their total emoluments including the grain compensation and war allowances and nobody would be adversely affected, whereupon the Committee expressed themselves against the resolution.

(iii) Resolution Nos. 161 and 173 regarding curtailment of the salaries of appointments on Rs. 500 and above.—The trend of the discussion indicated that the Committee were of opinion that the existing salaries were very high in certain cases, e.g., District Munsifs, Provincial Engineers and Assistant Surgeons.

(iv) Resolution No. 168 regarding placing on the Legislative Council table orders sanctioning the creation of appointments on Rs. 500 and above per mensem.—It was generally agreed that a list of such appointments should be laid on the Legislative Council table.

8. Six monthly estimates.—A statement was laid on the table showing the Financial position of Provincial funds as disclosed by the Accountant-General's six monthly estimates. The Chairman explained to the Committee the fall under the various heads of revenue. In reply to the inquiry of Mr. O. Thanikachalam Chettiyar as to the precise extent of the fall separately under 'Judicial' and 'non-Judicial' Stamps further information was promised. To a question if anything was proposed to be done to make up the deficit, the Chairman replied that he would welcome suggestions from the members and hoped that members would keep in mind this aspect of the financial situation in bringing forward resolutions involving financial liability.

9. The following papers were laid on the table and briefly explained by the Chairman:—

(a) G.O. No. 1023, Finance, dated 17th October 1921, Special duty of the Hon'ble Mr. E. S. Lloyd, I.C.S., in connexion with the transfer of treasuries to the Indian Audit Department and to the taking over of military hands in Madras.

(b) G.O. No. 726, Public, dated 24th October 1921, Special duty of Mr. A. R. Knapp, O.B.E., I.C.S., as Special Commissioner for Malabar affairs.

(c) G.O. No. 783, Public, dated 12th November 1921, Duty allowance of Rs. 5 per diem to Mr. P. I. Painter, I.C.S., officer on Special duty in the Chief Secretariat.

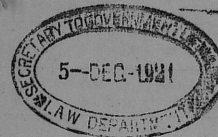

(d) Calendar of dates of budget procedure for 1922-23.

10. Deputation regarding Provincial contribution.—In answer to an enquiry by Mr. T. A. Ramalingam Chettiyar, he was informed that the question of sending a deputation to Delhi to press for a revision of the Provincial contribution to the Central Government has been held over pending a reply to the reference made to the Government of India on the subject.

11. Presents on the occasion of the visit of His Royal Highness the Prince of Wales.—The Committee gave it as their opinion that the distribution of the sum of Rs. 10,000 earmarked for expenditure on the presentation of shawls to pandits should be limited to a small number of deserving pandits as an indiscriminate distribution would not only involve additional expenditure but also minimise the value of the presents.
