Sir,
With reference to G.O.No.1471 dated 5-10-21, and memorandum No.5114 A-1 dated 24-10-21, I have the honour to request that you will be good enough to inform me whether the list of papers to be placed before the meeting can also be sent to the Government press for being printed. While admitting that the cost of printing at private presses is high, I should like to bring to your kind notice that it may not be possible for the Government press to supply this office with printed copies of the list sufficiently early for distribution to the members of the Council, some of whom live in very distant places.

I have the honour to be
Sir,
Your most obedient servant

Printing of the list of papers to be placed before meetings of D.F.C.s from the P.D.F.C., Malabar, R.O.C. 292/21. d/ 21.11.21

In S.O. No. 1471 Es. d/ 5.10.21

It was ~~stated~~ that the publication of proceedings of meetings of D.F.C.s in the Dist. Gazette will be free of cost. It does not follow from this that the list of papers to be placed before council meetings will also be printed at the Govt. Press or that its publication is at all necessary. Proceedings of meetings stand on a different footing from the list of papers to be placed before meetings. The printing and publication of the former is a statutory requirement. The printing of the "list of papers" whether in a private press or in a Govt. Press involves expenditure and since economy is uniformly ^{aimed} at in working these councils, it seems unnecessary to allow the printing of these lists. It may be noted in this connection that in a separate file it is proposed to veto the Salem D.F.C.'s suggestion to ~~print~~ ^{print} the standing orders framed by it under Section 20 of the E.Cy. Act. For other
