Sir,

With reference to your endorsement No. 5462 H-1 dated 18th November 1921, I have the honour to state that in rearranging the bronzes, I have selected a set of the best specimen of each type of figure for our exhibition in the public galleries, and a supplementary set that should be kept here for reference by specialists. The rest, which are really duplicates and not essential to our collection, have accordingly been distributed in consultation with the Director General of Archaeology in India to the School of Arts, Madras, the Indian Museum, Calcutta. A small set has at the request of the Superintendent Archaeology Survey, Western Circle, been set aside for the Prince of Wales Museum, Bombay. These are the following:-
