The Minister of Education
Cable Government of
Madras

Respected Sir,

I have the honor to
acknowledge the review petition for
favorable consideration and
favourable orders.

I am a pupil teacher
undergoing training in the Secondary
School and I am in my 4th year.

Last year when I applied
for the period of training, may
be reduced to 8 months as in
the case of passed F.A's and
Intermediates, I was told in
January 1921 that by the

Government. That my request
could not be granted. Now

The Government have in P.O.

No 1094 Law (Education) of

27th July 1921, directed that the

period of training for Secondary

grade Teachers be reduced to one

year in the case of students

who have attended a college

for the P.A. or Intermediate

Course but have failed in the

University Examination. As I

also considered this category

I have to pray that my case

may also be taken into

consideration and this concession

may ~~be~~ be shown to me also

~~by the~~

In this connection, I

beg to submit that the particulars

in the proposition of my case

have almost been done and

have enough of Teaching.

(U)

I shall be sorry, having
served as a teacher for one year
in the Pirangam High
School and having attended
the training school for nearly
16 months, nearly double the
period now provided for men
of my standard.

Therefore I humbly pray
that orders may be passed
that I may be relieved from
the school at an early date.
If the Government think that
it is not possible, I request that
I may be relieved by the end of
this term such that I may have
some concession at least.

I beg to remain,
Your obedient servant,

Your most obedient servant.

Petition: Shortening of training course

[C^o. 3211B] In P. S. Krishnaswami Ayyangar - ^{Secy.} Govt. Training School, Coimbatore. - 2/15.9.21.

For the ~~reasons~~ ^{reasons} for which the request of the petitioner and others for shortening their training course was not complied with in January last, please see the last portion of the S.P.D.'s letter No. R.C. 9434/20 of 4.1.21, on page 20 of G.O. No. 74, of 15.1.21. The same reasons still hold good and there are many others similarly situated as the petitioner. G.O. No. 1094, of 27.7.21 under which the ~~secondary~~ ^{secondary} training course has been reduced to one year in the case of failed P.A. or Intermediate students will apply only to men who began their training in the current year. It is not practicable to relieve the petitioner at the end of the first term as the examination will be held only at the end of the second term of the year. The petitioner's request cannot therefore be complied with.

U.O. Reply No.

I asked the Inspector of schools, Coimbatore, to report whether P.S. Krishnaswami Ayyangar would have completed the whole of his professional career by the end of December 1921 and if so, whether he might be permitted to leave the Training School in December.

The Inspector reports that the course of instruction in organisation and discipline and the special methods of teaching subjects will be finished at the earliest by the close of February 1922 and that the course in drawing cannot be completed until the 15th of March.

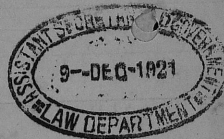

The Inspector is of opinion that the student should not be permitted to leave the Training course in December and I endorse his view.
