No Mappilla student was awarded a Government scholarship last year in any college in Malabar. We do not ear-mark any scholarships for Mappillas alone in High School and College classes. They are entitled to the scholarships specifically ear-marked for Muhammadans. High School scholarships are awarded by the Inspectors of schools and this office has no information as to whether the recipients are Mappillas, Labbais or any other class of the community.

The records of 10 and 20 years ago are not available.

I suggest the following answers:-

(a) No scholarships in High Schools and Colleges are specifically ear-marked for Mappillas. Mappillas are eligible both for special scholarships ear-marked for Muhammadans and for the general scholarships allocated for all classes of the community. Attention is invited to the scholarship notification appearing in the Gazette, especially to the notification appearing on the 23rd August 1921, pages 802 to 803.

(b) The information is not available.
