Madras District Educational Council,

To

The Secretary to the Government of Madras,

Fort St. George,

Madras.

Sir,

(E) I have the honour to state that for the due discharge of the functions of the District Educational Council the services of a competent shorthand-typist is found absolutely necessary. In G.O.No.516 dated 2nd April 1921 the sanctioned strength of the clerical staff is two clerks one being a typist. As funds for the purchase of a typewriter were not available I was on the look out for a competent typist who owns his own machine and I have secured the services of one who has passed the Intermediate Examination with sufficient working knowledge of Shorthand and who has a Remington machine at his disposal. I have not yet secured the services of a second clerk with Account test qualifications.

2. The services of the Shorthand-typist could not be had for less than Rs.50/- per month and as the one whose temporary services I have secured is really an efficient hand I request that the Government may be pleased to vary the pay originally sanctioned for the typist-clerk on condition that the total establishment charges for the current year do not

exceed the funds placed at the disposal of my Council in paragraph 8 of the Government Order referred to above.

I have the honour to be,

Sir,

Your most obedient servant,

Fort. St. George.

Sir,

P. 3 out

Adverting to your Memorandum No. 5200 A-1, dated 10th November 1921, I am not prepared to bind down my successors as to the strength of the office establishment at Rs. 90/- per mensem as I am not in a position at present to estimate what volume of work in the shape of gathering and consolidating statistics for making periodical returns &c., is likely to be thrown on the District Educational Council when Statutory rules are made under Sec. 56. I have not had since the Council was formed more than 30 minutes' assistance from the Temporary Secretary indicated in paragraph 1 of G.O. No. 516 dated 2nd April 1921 and the officers of the department seem to be firmly of opinion that Elementary Education can be expanded only by indulging in numerous useless references involving a large volume of correspondence.

2. I can however undertake that the charges for the establishment of my Council is not likely to exceed what the Government may be pleased to sanction for large districts like Malabar or Tinnevely due regard being had that establishment charges in presidency town involve

heavier outlay than in the mofussil.

I have the honour to be,

Sir,

Your most obedient servant,

M. Annamalai
President,
Madras District Educational
Council.

D.E.C. - Madras - Increased pay to Shorthand-
typist.

(C.No.5200) From the President, D.E.C., Madras, dated
24-10-1921.

U.S.

The proposal of the D.E.C., Madras, will, if
sanctioned, result in an increased cost to Govt. of
Rs20 per mensem or Rs240 per annum. The charge is
a recurring one and the fact that there are savings
in the current official year cannot apparently be
taken into consideration in entertaining the pro-
posal.

*we may ~~also~~ ~~be~~ ~~asked~~ ~~to~~ ~~decide~~
~~decide~~ tell him that the Govt. will
accept the arrangement proposed
only if the charges for every year for
establishment are kept within
the amount already sanctioned,
adjustments of pay being made
within the allotment. we may ask him
if he agrees.*
