Sir,

I have the honour to enclose herewith an extract from
the proceedings of the Karur Municipal Council passed
at its meeting held on the 23rd May 1921 and to state as
follows:--

ho No 189 (B) - With the help of a ^{free} grant of Rs. 22,250/- from
Government and a similar sum as contribution from myself
the Municipal High School Chidambaram Hostel buildings
costing Rs. 44,500/- have been completed and its opening
ceremony was performed on the 12th April 1921 by His
Excellency the Governor of Madras. The students will

will occupy the premises from the 13th of this month being the opening day of the school for the current school year.

The hostel buildings after completion lacked the following necessary appendages (i.e.) bath rooms, latrines and adequate water supply arrangements for the inmates. The Municipal Council spent about Rs. 2,500/- for installing a kite motion pump with tank and connecting the kitchen, etc with piped water. The construction of the bath rooms and latrine involves a further expenditure of Rs. ⁵⁰⁰⁰~~2,500~~/- and they have begun the construction as the buildings are an urgent necessity. on my promise to contribute a further sum of Rs. 2,500/- for the work.

The finances of the Municipal Council are not very encouraging for spending such a large amount from the slender resources left. In fact the council is finding it hard to frame their budget for the year 1921-22. They contemplate cutting down the small amount of local allowances that they were paying to their subordinates till now to make both ends meet.

I request you therefore to be so kind as to recommend to Government to sanction at least half the cost of the ---- improvements to the Hostel buildings which are absolutely necessary to make the hostel serve its purpose efficiently.

I have the honour to be,

Sir,

Your most obedient servant,

Sir,

With reference to Government memorandum No.12556-1 dated 18th instant in enclosing herewith, the copy of the resolution No.27, dated 21st October 1921 of the Municipal Council, Karur, I have the honour to inform you that the financial position of this Municipality is not in a position now to raise a loan for the sum of Rs.2500/- for the improvements of Chidambaram Hostel of the Municipal High School, Karur.

The above Chidambaram Hostel was constructed on a liberal donation of M.R.Ry., S.Rm.M.Ct., Pethachi Chettiar Al Zemindar of Andipatti and Chairman Municipal Council Karur and on a grant of Rs.22250/- ^{from the Government} Now he has further promised

to give a donation of Rs.2500/- for the improvements of the above hostel.

Therefore the Council once more requests the Government to sanction a grant of Rs.2500/- as free grant as a special case, considering the financial position of this Municipality.

Application of the Karur m.c. for a grant of Rs. 2500 towards improvements to the m. High School hostel buildings.

Recd

The file relates to certain improvements to be made to the Chidambaram Hostel buildings Karur. The main buildings were constructed at a cost of Rs. 44,500, of which one half

(Rs 22250) was paid by the Govt. as a grant and the other half as a donation by M.A.R.

Pethachi Chettigar, C.M.C. Karur. The main buildings were opened by His Excellency on 12.4.1921. On the occasion of the opening

ceremony the C.M.C. stated that some addition had to be made to the main buildings at an estimated cost of Rs. 5,000 and promised to contribute make a further donation of Rs. 2500 towards these improvements.

2. From the Chairman's present letter it appears that the cost of the improvements comprising of water supply arrangements and the provision of bath rooms & latrines has risen to Rs. 7500. The Council has already spent Rs. 2500 on water supply improvement

and the other works involving a further expenditure of Rs. 5000 have been commenced. As the Council is unable to find a further sum of Rs. 2500 required over and above the donation of Rs. 2500 promised by Mr. Pettrachi Chettyar, the Council applies for a grant of Rs. 2500 from Prov. funds.

3. In its budget for 1921-22, the Council has made provision for an expenditure of Rs. 5000 on improvements to the hostel, based presumably on the original estimate and has taken credit for a donation of Rs. 2500 from Mr. Pettrachi Chettyar. The budget, as thus framed closes with a balance of Rs. 3787 or 3.8 per cent of its ordinary receipts. If the Council should ~~therefore~~ be asked to meet the additional sum of Rs. 2500 from its funds, only a very small balance of Rs. 1287 will be left to meet any unforeseen charges during the year. The Council's application for a grant of Rs. 2500 may therefore be supported in this Dept and the case forwarded to Law (Edn) for favourable consideration and issue of orders. Grants for these purposes are distributed in that Dept.

The object of expenditure is useful and funds are necessary.

I have no budget provision for expenditure of this kind and can suggest only two sources:-

(1) The Municipality might raise a loan for the purpose; or

(2) The grant of Rs.2500 might be met from the anticipated savings in the current year's provision of Rs.3 lakhs for the opening of new elementary schools, 31-C-B-iii

As.

The ordinary receipts and charges of the municipality for 1919-20 were respectively Rs 72792 and Rs 74750. and thus the year's accounts closed with a deficit of Rs 1958 under municipal funds. The budget estimate of the municipality for 1921-22 closes with a balance of Rs 1787 or 1.7 per cent of the estimated ordinary receipts. Moreover, the Council has taken a loan of Rs 24000 in all for the construction and extension of municipal high school buildings and the amount that it sets apart every year for the liquidation of this loan is Rs 2315. ~~As the present financial position is not satisfactory and the Council has already spent a sum of Rs 2500 for the cost of the improvements.~~

Thus the finances of the m.c. are not quite sound and it seems undesirable to burden the municipality with another loan. The estimated cost of the improvements is Rs 7500 of which Rs 2500 has been promised as a donation by Mr. Petrucci Chatterjee.

The Municipal Council has already spent a sum of Rs 2500 towards the cost and it is ~~not reasonable that the~~ ^{that is now asked for} remaining third of the cost is ~~to be~~ ^{is} from provincial funds. The Director has also pointed out the source from which the grant might be sanctioned. The Law (Govt) Dept. might be requested to consider the question of a grant ~~non-judicial~~. The Council may be asked whether it cannot raise a loan. It is a small sum.

The Chairman states that the financial position of the Council will not allow him to raise a loan for the purpose; the budget for 1921-22 closes with a small balance of Rs 3787/- or 3.8% of its ordinary receipts and considering that half the estimated cost of improvements ^(Rs 2500) is to met by a donation from the Municipal Chairman, a ~~for~~ grant ^{of Rs 2500/-} may be
