W. B.Station Madras, Dated the 20th April 1921.

From (Name) R. Littlehailes Esq., M.A.,

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

L a w (Education) Department.
through the Accountant General, Madras.

Sir,

I have the honour to address Government on the necessity for raising the allowances of the Superintendents of the three hostels attached to the Government Secondary and Training School, Triplicane.

2. The present allowances were sanctioned before the war, and the Accountant General has ruled that hostel superintendents are not eligible for the temporary additions to pay granted to all subordinate officers of Government on account

account of high prices. In G.O.No. 321 Home (Education) dated 13th March 1920, an allowance of Rs.40 per mensem was sanctioned for the matron of the hostel attached to the Government Secondary and Training School, Coimbatore, while the Superintendents of the hostels attached to the Government Training Schools in the mofussil like Nellore, Cuddalore etc., are given an allowance of Rs.30 per mensem exclusive of wages of servants, even though living in the mofussil is cheaper than in the City of Madras. An allowance of Rs.40 each per mensem was sanctioned for the Superintendents of the Indian Christian and Hindu hostels out of which the wages of 2 cooks amounting to Rs.16 per mensem have to be met by the Superintendents, thus leaving a net allowance of Rs.24 in each case. The rates of stipends now given to the students under training do not cover even the ordinary boarding charges so that it is not possible for them to contribute towards the wages of servants, and until such time as stipends are increased as recommended in Mr.Grieve's letter C.No. 11140/20, dated 23rd October 1920, I recommend that an additional sum of Rs.16 per mensem to cover the wages of servants be granted to each of the two superintendents. The system of giving an allowance -- inclusive of servants' wages to superintendents of hostels does not work well in practice, as it very often means that cheap and inferior servants are engaged, and hence it is more advisable to assign a definite sum for wages with a view to securing the services of good servants. Again, low rate of allowances now given to the superintendents of the hostels does not attract the right type of educated and responsible women who will be willing to give their whole time to the work. During the past year the only educated woman who could be secured to discharge the duties of the superintendent of the Indian Christian hostel was a deaf teacher who is no longer fit for school work, and many complaints have been since received as regards her unsuitability for such responsible work. Though both the posts were duly advertised

the

the suitable applicants who applied, refused to take up the work unless they were given a net allowance of Rs.40 per mensem, and this is, I consider, the minimum pay that will attract the services of educated and tactful women for the posts of superintendents of hostels in Madras.

3. With regard to the Ice House hostel, the number of boarders is much greater and accordingly the wages of the 4 cooks can be met by the boarders themselves. The pay of Rs.25 per mensem that is now given to each of the two superintendents of this hostel was fixed before the war and representations have been made from time to time that this remuneration is no longer commensurate with the arduous and responsible duties which have to be discharged by the superintendents of this large hostel. I therefore recommend that these allowances be raised from Rs.25 to Rs.30 each per mensem so that the superintendents may be encouraged to continue to work in a cheerful and contented frame of mind free from all anxiety about the future.

4. The extra cost will then be Rs.16 x 12 = 192 per annum for the Indian Christian Hostel, Rs.192 for the Hindu Hostel and Rs.120 for the Ice House Hostel or Rs.504 per annum which can be met from the contingencies of the school.

I have the honour to be,

S i r,

Your most obedient servant,

For Director of Public Instruction

Subject Hostels attached to the Govt
Secondary and Training School, Triplicane
[C no 1440B] from the D.P. D no 5274B of 20.4.21

There are three hostels attached to the
Govt Secondary and Training School, Triplicane.
viz -

(1) Widows' Home

(2) Indian Christian Hostel and

(3) Non-Brakshu Caste Hindu hostel.

2. Widows' Home or Ice house hostel

J This was started in 1912. In G.O. no
785 of 26.8.12 the Govt sanctioned an allowance of
Rs 40 p.m. to Subbalakshmi Ammal and her widowed
aunt for supervision and management of the hostel.
In 1915 the D.P.D. pointed out that till then only
one cook was found sufficient, that her wages
were being met from the allowance of Rs 40, that the
strength of the hostel ^{having} increased from nine students
in 1912 to thirty in 1915, an additional Cook on Rs 10
p.m. was found absolutely necessary, and that the
allowance should therefore be raised from Rs 40 to
Rs 50 p.m. in order to meet the wages of the extra cook.
(R) In G.O. no 357 of 29.3.15 the allowance was accordingly
raised to Rs 50 p.m. but ^{the} payment thereof was
made contingent on the employment of the additional
Cook on Rs 10 p.m. There are now four cooks
employed

employed in the hostel and the Director considers that their wages can be met by the boards themselves. He reports that each of the two Supds. is now paid Rs 25 p.m. and that their remuneration should be raised to ^{a net sum of} Rs 30 p.m. each. ^{In the} ~~circumstances explained by the Dir~~ ^{not stated in the} ~~the two Supds. are~~ ^{in para. 3 of his current letter, his} ~~proposal to raise the allowance to~~ ^{Rs 30 p.m. each may it is submitted} ~~be approved~~ ^{and a decision on the} ~~to state whether it will be sufficient to~~ ^{proper of the}

3. Indian Christian Hostel

The establishment ^{of the} hostel was sanctioned in 1914. G.O. no. 63 of 15-1-14 the Govt. sanctioned the employment of Miss Shanmukham a retired Sub-assistant mistress as Supd. of the hostel with a monthly allowance of Rs 40 p.m. including wages of servant. Only eleven students were then expected to join the hostel and one cook would have been sufficient. The Director now reports that two cooks are being employed on Rs 8 p.m. each and that their wages are being met from the allowance of Rs 40 p.m. One cook is ordinarily considered sufficient for 16 students. The D.P.D. may be requested to report the present strength of the hostel. If it is sufficient ^(to employ 2 cooks) large the Director may be requested to state why their wages should not be met by the boards themselves.

especially in view of the fact that ~~it is proposed~~
para 3 mp 3 Cf the members of the Widows' Home also are not to
be exempted hereafter.

The proposal to grant a net allowance of
Rs 40 to the Supdt may in the circumstances explain
in the Cf. be accepted subject to the condition
that a whole-time Supdt is employed.

¶ 4. Wari Brahmin Caste Hindu Hostel -

○
In G.O no 1138 Ed of 13.10.15 the Govt
sanctioned the employment of a part-time Supdt
with an allowance of Rs 30 p.m from which it was
proposed to meet the wages of a Cook etc as shown
in the margin. In 1917 the Director reported that
there were only 11 students but that an additional
Brahmin Cook on Rs 10 p.m was necessary for the
three Vaishnavite students of Sathani Caste. ~~therefore~~
The Govt raised the Supdt's allowance from Rs 30
to Rs 40 p.m contingent on the employment of the
additional Brahmin Cook on Rs 10 p.m. The D.P.D now
reports that the wages of the two Cooks amount to
Rs 16 p.m. leaving a net allowance of Rs 24 to the
Supdt. He ^{how many} may now be requested to report ~~the no.~~
of students ^{there are} in the hostel and whether the Supdt is
a whole-time officer or part-time officer. If the no.
of students be small a part-time officer may perhaps
be sufficient & the Director may be requested to
state whether it will ~~not~~ be sufficient a net allowance
of

One Cook - Rs 8 p.m
Cost of food to Cook Rs 4 p.m
one Sweeper - Rs 2 p.m
Supdt's allowance - Rs 15 p.m
Rs 30 p.m

para 2 mp 3 of G.O. 1138

of Rs 40 will be required for each an officer. If the number is large enough the wages of the Cook may be met by the boarders themselves and a whole-time Supt on Rs 40 p.m may be accepted. The D.P.'s remarks may be invited.

I approve of the D.P.'s proposal that an allowance be given for servants it should be apart from that given to the Supt. Whether or not an allowance should be given for servants will be guided on each case but chiefly depend on the number of boarders & ability to pay.

2. In these days of "tutors" the Supt of a hostel should generally be one of the teachers of the school who by temperament takes great interest in the boarders outside school hours. It seems to me that in general it will be enough to give such Supts free quarters and a small allowance. I would go further say that a Govt tutor, if nominated, should have no option to refuse the Suptship of a school hostel.

5/2/21

The strength of the Widows' Home or the Ice House Hostel, the Indian Christian Hostel and the Hindu Hostel was 92, 33 and 32 respectively last term.

2 The Indian Christian Hostel. Of the 33 boarders in the Indian Christian Hostel 31 are stipendiary students and 2 are Adi Dravida widow scholarship holders. Of the 31 stipendiary students 16 are of the secondary grade with a stipend of Rs.12 each per mensem while the remaining 15 are of the Higher Elementary Grade with a stipend of Rs.10½ each per mensem. The boarding charges range from Rs.10 to Rs.12 per mensem and if to these be added the cost of books, note-books, hand-work materials and other incidental charges it will be seen that the stipends do not meet the whole of the cost of these essential educational charges. Unless the stipends are raised it is not possible for the students to contribute anything towards the servants wages. There is thus a necessity either for raising the rates of stipends or for meeting the wages of servants from provincial funds.

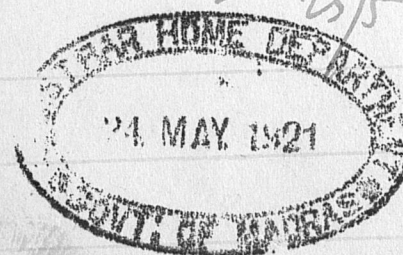

3 The Hindu Hostel. The Superintendent of the Hindu Hostel is a full time servant. Of the 32 boarders 4 are elementary students under training each with a stipend of Rs.10½ per mensem, 6 are unmarried

12 10
unmarried girls drawing a scholarship of Rs.12 per mensem, 6 are widows drawing scholarships of the value of Rs.15 per mensem and the remaining 16 are paying pupils. The boarding charges range from Rs.11 to Rs.13 per mensem from which it will be seen that it is not possible for the students to meet even a portion of the servants wages.

4 So long as these hostels are located in rented houses the strength must necessarily be restricted if healthy sanitary conditions are to be maintained.

5 Part time Superintendents are not advised. So long as girls of school going age are admitted as boarders so long will it be necessary to appoint full time Superintendents since for reasons of health ~~there is~~ scarcely a day passes when some girl does not remain in the hostel. When sickness in epidemic form breaks out the constant care of a full time Superintendent is absolutely essential.

6 I regret that I am unable to subscribe unconditionally to the views put forward by the Secretary in para 2 of his note above.

With reference to the proposals of the D.P.S. for the enhancement of the allowances of the Supts of the various hostels attached to the Govt. secondary and training school for mistresses, Triplicane, the Law Secy. in para 2 of his note on page 4 ante, has raised the question whether the work of these Supts cannot be entrusted to ~~selected~~ ^{selected} teachers of the school. This arrangement, if it is possible, will result in economy as the extra remuneration that may be necessary in such cases will apparently be less than the amounts that will have to be granted to outside whole time Supts. Please see paras 5 and 6 of D.P.S.'s note on page 6 ante, where he advocates the employment of whole time Supts. The case of ~~these~~ hostels for girls has apparently to be treated as special (and not on the analogy of the hostels for boys) and it is perhaps unnecessary to ask the Law Dept. to justify further why ~~the arrangement suggested by~~ the arrangement suggested by the Law Secy. cannot be introduced in the hostels in question. Subject to orders on this point, the

pu

increases proposed by the D.P.J in the allowances of the four Supdts. referred to in the draft are examined below:

2 The following statement shows the arrangements sanctioned by Govt. ~~for the three hostels and the arrangements now in force~~ for the supervision of the three hostels and the arrangements now in force (as gathered from the D.P.J's letter on pages 1-3 CF):-

Arrangements sanctioned by Govt.	arrangements now in force.	Remarks.
(1)	(2)	(3)
A- Widows' home or Icehouse hostel.		
Sanctioned in 1912 (80 flg J) allowance for 2 Supdts. Rs 40 pm. This was intended to include the wages of a cook also - say Rs 10. Sanctioned in 1915 (80 flg R) allowance was increased to Rs 50 pm. (Contingent on the employment of an addl cook on Rs 10) Net remuneration to Supdts according to the rates fixed by Govt - (50 - 2 x 10 =) Rs 30 pm. for 2 Supdts or Rs 15 each pm.	"Pay" of 2 Supdts - Rs 25 Each pm. (pag 3 CF.)	From para 3 of D.P.J's letter on page 3 CF, it is not clear whether the wages of the cooks employed in the hostels are now charged to the boarders and whether the Supdts. are now appropriating to themselves the whole of Rs 50 sanctioned by Govt. No - vide 90 357 2 29-3-15 (R) How can they in the face of the above 90? OK
B- Non-brahman Caste hindu hostel.		
Sanctioned in 1915 (80 flg O) allowance sanctioned - Rs 40 pm. This is intended to cover the following:- (i) wages of 1 cook - Rs 8 (ii) Cost of food of the cook - 4 (iii) Sweeper - 3 (iv) Allow. of 1 Supdt. - 15 Total - 30 Sanctioned in 1917 (80 flg U) allow. of Supdt. increased to Rs 40 pm. (Contingent on the employment of an addl. brahman cook on Rs 10).	The Supdt. receives the allowance of Rs 40. and Emp pays out of this sum Rs 16 as wages for two cooks. (1 2 CR)	It is not clear whether the additional cook proposed in 1917 has been employed on Rs 10.50 is not also clear whether the charges on account of items (ii) and (iii) in col. (1) are now borne by the boarders.
C- Indian Christian hostel.		
Sanctioned in 1914 (80 flg N) allowance of 1 Supdt. Rs 40 pm. (inclusive of the wages of servants)	Same as in non-brahman Caste hindu hostel - vide B above	"

3. It is not clear from the above whether the existing state of affairs is quite in accordance with the orders of Govt. For orders whether Law (Edg) may be requested to enquire into the matter to see whether there has been any undue remuneration to these ~~of~~ Supdts in the past.

4. As for the future, the following are submitted for orders:-

(a) Widows' home or Ice house hostel ^(-2 Supdts -) Considering

the net remuneration contemplated in 1912, i.e. about Rs 15 Each pm., the increase to Rs 30 Each pm. seems rather excessive even taking into account the alleged greater responsibilities and rise in the cost of living. The necessity for having two whole-time Supdts. has not been fully justified. For orders whether a consolidated net allowance of Rs 40 pm. for the two Supdts. will not suffice. The wages of the cooks will be borne by the boarders. It is presumed that other charges e.g. ~~for~~ sweeping charges will also be borne by the boarders.

(b) Non-brahman Cash Hindu hostel - Here too

the increase suggested (from Rs 15 to Rs 40) in the net allowance of the Supdt. seems high. For orders whether a net allowance of Rs 25 pm. will not suffice for this Supdt., who will be whole-time. The wages of the two cooks may, as proposed, be charged to Govt. separately. Other

charges such as sweepers' charges may, also be charged to Govt. if they are not borne by the boarders.

(c) Indian Christian hostel - The arrangement may be similar to that in the non-brahman caste hindu hostel.

5. The D.P.J. has pointed out the source from which the extra cost, if any, in 1921-22 can be met.

Superintendents of the three hostels -
attached to the Govt. Secondary & Training

U.S.

Ice House Hostel.- In para 3 of his
letter, the D.P.I states that the number of
boarders is greater than ⁱⁿ the other two hostels,
that the wages of the 4 cooks can be met by the
boarders themselves and that the pay of Rs.25
per mensem that is now given to each of the two
Superintendents was fixed before the War. He
recommends that these allowances may be raised
from Rs.25 to Rs.30 each per mensem. It is not
clear whether the wages of the cooks employed
in the hostel are now charged to the boarders
and whether the Superintendents are now appro-
priating to themselves the whole of the Rs.50
sanctioned in G.O.No.357 dated 29th March 1915.
The Director may be requested to explain the
points clearly and to state whether a net
allowance of Rs.40 per mensem to the two Super-
tendents will not suffice, the wages of the
cooks and other charges etc being borne by the
boarders.

2. Non-Brahmin caste Hindu and Indian -
Christian Hostels. In para 2 of his letter
the Director states that an allowance of Rs.4
each per mensem was sanctioned for the Super-
intendents of the Indian Christian and Hindu
hostels out of which the wages of 2 cooks -

amounting to Rs.16 have to be met by the -
Superintendents, thus leaving a net allowance
of Rs.24 in each case. He recommends an addl.
sum of Rs.16 per mensem to cover the wages of
servants to be granted to each of the two Super-
intendents. In G.O.No.1138 Education dated 13th
October 1915 an allowance of Rs.30 per mensem
was sanctioned to the Superintendent of the non-
Brahman caste hindu hostel, which was intended to
cover besides the wages of one ^{Cook} on Rs.8, the cost
of food of the cooks-Rs.4 and the wages of the
sweeper-Rs.3. This allowance was increased to
Rs.40 per mensem in G.O.No.465 dated 10-4-17
with a view to the employment of an addl.cook on
Rs.10 per mensem. It is not clear from the -
Director's letter whether the addl cook sanctioned
in ~~1917~~ 1917 has been employed on Rs.10. Nor
is it clear whether the cost of food of the cook
and the sweepers wages referred to above are now
being borne by the boarders themselves. The
Director may be requested ^{no.} to explain the points
clearly and to report whether in the case of the
Superintendents of these two hostels there has
been any undue remuneration to them in the past.
He may also be requested to state whether a net
allowance of Rs.25 per mensem will not suffice
each of the Superintendents who will be whole
the wages of the cooks and other charges (sv
charges) being charged to Government if the
not borne by the boarders.

Ice House Hostel.

30.9.21.

The wages of the cooks employed in the hostel are now charged to the boarders and the superintendents are now appropriating to themselves the whole of the Rs.50 sanctioned in G.O.No.357 Educational., dated 29th March 1915. The superintendent of the hostel informs me that she has been appropriating the entire allowance under ~~the~~ oral instructions from Mrs.Drysdale. The superintendents are dissatisfied with the present allowance of Rs.50 per mensem. It is not therefore likely that they will be satisfied with an allowance of Rs.40 per mensem. Moreover the usual allowance that is granted now-a-days to hostel superintendents in the mufassal is Rs.30 per mensem each exclusive of wages of servants.

2 The wages of the cooks may be borne by the boarders as at present. The wages of the menials, night watchman, etc., amounting in all to Rs.50 per mensem are met from provincial funds. These are in detail as follows:-

One night watchman	Rs.11 per mensem,
One day watchman	11 ..
Two sweepers at Rs.8 each	16 ..
One gardener	12 ..

I am of opinion that the pay of the night watchman ^{and gardener} ought to be continued to be met from provincial funds but that the pay of the other menials should be met from the boarders.

3 Hindu hostel.

The allowance of the superintendent of this hostel was first fixed at Rs.30 per mensem and this sum was intended to include the wages of the following servants:-

One cook on	Rs.8 per mensem
The cost of food of cook	Rs.4 per mensem
A sweeper on	Rs.3 per mensem

the net allowance of the superintendent Rs.15 per

Subsequently the allowance was raised to Rs.40/-

the payment of the enhanced remuneration being

contingent on the employment of an additional cook on Rs.10 per mensem so that the net allowance of the superintendent would continue to be Rs.15 per mensem. The former superintendent of the hostel appears to have been paying Rs.20/- out of the allowance and appropriating Rs.20/- to herself. The present superintendent of the hostel is paying Rs.16 per mensem for 2 cooks at Rs.8 per mensem each and appropriating the balance of Rs.24 per mensem. An additional cook has therefore been employed but this cook is now paid Rs.8 per mensem and not Rs.10 per mensem. The cost of the food of the cook is debited against the boarders and the wages of the scavenger ^{are} also met by the boarders. Both superintendents appear to have been in receipt of what might be considered undue remuneration. A net allowance of Rs.25 per mensem will not suffice if we wish to obtain the right sort of woman for a responsible and arduous post of Superintendent of a hostel. The following menial servants of the hostel are paid from provincial funds:-

One night watchman	Rs.11 per mensem;
Two sweepers on	Rs.4 each per mensem

making Rs.19 per mensem in all. I consider that the night watchman should continue to have his pay met from provincial funds but that the sweepers' pay might be met by the boarders.

4 Indian Christian Hostel.

A remuneration of Rs.40 per mensem was sanctioned for payment to the superintendent of this hostel and this sum was intended to include

include the wages of servants. The present superintendent is paying Rs.16 per mensem out of her allowance as pay for two cooks. There does not appear to have been any undue remuneration in the case of this superintendent since it has not been specified as to what menial staff should be employed. A net allowance of Rs.25 per mensem will not suffice for this superintendent, any more than it would suffice for the superintendent of the Hindu hostel. In this hostel the following menials are paid from provincial funds:-

One night watchman on Rs.11 per mensem and One scavenger on Rs.8 per mensem.

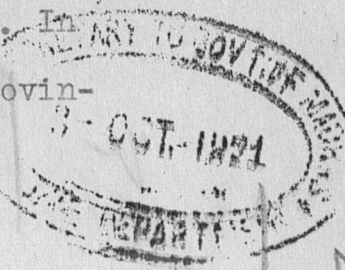

I consider that the former ought to continue to be paid from provincial funds but that the latter might be paid by the boarders.

The net remuneration allowed by Govt to the two Superintendents under Govt No. 357 Est. of 29.3.1915 is (R) Rs 15 p.m each. The Superintendents have however been actually drawing Rs 25 p.m each as they have been appropriating to themselves the entire allowance of Rs 50 sanctioned in the above Govt, which was intended to cover the wages of 2 cooks at Rs 10 each.
