Clause (a) (b) & (c):

Provision for the construction of buildings is usually made in the Unit Works Budget. The member apparently refers to this Budget. College classes were opened in the Govt. Madrasa-i-Azam from July

1918 - vide G.O. 820 Hm (B) d. 16.2.19. No provision was made ~~in the Budget~~ for the construction of buildings for the College in the Budget estimate for 1919-20, but

x vide para 116 G.O. 150 W 23.1.20 A sum of Rs 25,000 was however provided in the Budget for 1920-21. This was presumably resumed as plans and estimates were not ready then. No provision has been made in the current year's budget.

Clause (d):

The Govt. are aware of the urgent necessity of a building for the College. Plans and estimates were submitted by the D.P. & in Feb. last, but at the instance of Finance ~~was~~ ^{which} considered the amount prohibitive in ~~view~~ ^{view} of the

present financial stringency, the D.P.J. has been asked to submit revised plans and estimates so as to provide accommodation for 200 instead of 300 students as originally proposed.

The following draft answer is submitted for consideration:-

"(a), (b) and (c).— A sum of Rs 25,000 was provided in the Civil Works Budget for 1920-21; but as the plans and estimates were not ready that year, the amount could not be utilized.

(d) — The presumption underlying the question is incorrect." / A.
