(Through the Accountant-General)

Sir,

The Acting Principal, College of Engineering, Guindy, reports that it is essential for the efficient working of the college that a separate clerk should be provided for operating the telephone with its nine extensions. A telephone clerk had been provided for in the estimate furnished by the Electrical Engineer to Government, but Mr. James considered that the provision was unnecessary as he hoped that the work could be carried out by one of the clerks in the office in addition to his ordinary work (vide Director's letter R.O. No. 2771/19, dated 23rd April 1919 read in G.O. No. 1277 W, dated 4th October 1919). Mr. Cartwright states that he has given this arrangement

a fair trial but found it very unsatisfactory, especially in view of the fact that the work in the office has considerably increased owing to the expansion of the college since its removal to Guindy. I am satisfied that there should be a telephone clerk in the College of Engineering and have accordingly the honour to request the sanction of Government for the appointment of one with effect from 1st January 1921 on Rs. 20/- per mensem exclusive of the usual allowance. The telephone clerk will, besides attending to the telephone, do some regular clerical work.

2. A re-appropriation statement to meet the expenditure of Rs. 60/- (Rs. 40/- salary plus Rs. 20/- local allowance for high prices) during the current year is submitted herewith. I request, however, that provision for the charge may be inserted in the Budget Estimates for next year now under the consideration of Government.

I have the honour to be,

Sir,

Your most obedient servant,

Duboshman Chell

for Director of Public Instruction.
