To The Secretary to the Government of Madras,

Law (Education) Department.

Sir,

I have the honour to request that you will be so good as to obtain the sanction of Government for the payment of a remuneration of Rs. 500/- to each of the four marginally noted

| 1. The Rev. A. Moffat | non official members of the Board for the |
| 2. The Rev. Father P. Verdure | award of S.S.L.C. who held office throughout |

reconstituted from the 15th July 1919 in G.O. No. 752 Home - (Education) dated 16-6-1919.

2. The Rev. W. Weston, the fifth non-official member of the Board was absent from India for more than six months from the 12th May 1920. No one was appointed as a member of the

Board

Board in his vacancy during his absence. As his period of absence during the first year of the Board was only a little over two months and as he attended all meetings of the Board before he left India, I have the honour to request the orders of Government as to whether the Rev. W. Weston may be paid the full remuneration of Rs. 500 for his work during the first year of the Board. If this is not approved a remuneration of Rs. 417 may be sanctioned on his behalf.

I have the honour to be,

Subject Remuneration to non-official
members of the S. S. L. C. Board

For the Regr.

For order whether in the
circumstances stated by the D.P. J.
in para 2 of his letter, the full
remuneration of Rs 500 may be paid
to the Rev. W. Weston, for his work
during the first year of the Board,
or ^{only} a remuneration of Rs 417/ as
suggested by the D.P. J. In the latter

To case the draft below is framed

To
28.1.21

It may perhaps be useful
to know how many meetings
were held during the

two months of Mr. Weston's
absence & whether it is not during
this period the results of the
examination & habilitation are
considered & published. If the
latter is the case, ^{perhaps} the heavier
portion of the work of the Board

would have been done then. In that
view it may not be right to distribute
the remuneration equally during the year

31.1.21

That is one consideration. But
we should have a general working
principle - to proportion the
honorarium to the period the member
is in the county or to the number
of meetings held when he was present
to the total number in the year

U.O. Reply No. 42 of 2-2-21

In the two months of Mr. Meston's absence
during the first year of the Board from the 15th
July 1919 to the 14th July 1920, no meetings were
held. Mr. Meston did not actually miss any meeting,
the last one of the year in question having been
held on the 8th May 1920. At this meeting the
results of the public examination were passed and
instructions issued regarding tabulation, modera-
tion of the marks and the preparation of the list
of those eligible for admission to University
course in accordance with the Syndicate rules.

Sir

2/ Sir Henry Stone's view was that the honorarium should be proportioned to the period irrespective of the number of meetings held during the period in question and this principle has been adopted in other cases e.g. if 'A' acted as a member for three months during which period no meetings were held and if 'B' acted for the remaining period of nine months of the year during which all the meetings were held, both were entitled to the honorarium proportionately, 'A' getting $\frac{500}{12} \times 3$ and 'B' $\frac{500}{12} \times 9$.

3/ The principle mentioned in the Secretary's note of fixing the honorarium in accordance with the ratio of meetings held when he was present to the total number in the year was, I believe, considered by Sir Henry Stone but not adopted owing to practical difficulties.
