To—the Secretary to Government, Law (Education) Department.

Dated—Madras, the 22nd January 1921.

No.—673-21.

With reference to G.O. No. 902, Home (Education), dated 10th August 1920, sanctioning the opening of new high and middle schools under the management of local bodies I have the honour to submit herewith statements showing the amounts required to meet the net cost of the schools in question during the second half of the year 1920-21. I request that the Accountant-General may be authorized to place at the disposal of the local bodies concerned the amounts shown in the last column of Annexure III.

2. The expenditure can be met from the provision of 3-59 lakhs for the opening of new Board and Municipal high and middle schools in the Civil Budget Estimate for 1920-21.

3. I beg to add that in Annexure II I have entered no amount against the Rajapalayam school in the Ramnad district bearing serial No. 35 as it has been brought to my notice that the school was not working in the first half of the current year. The amount paid on behalf of the school under the sanction conveyed in G.O. No. 902, Home (Education), dated 10th August 1920, will therefore be available for utilization in case the school is opened and worked during the second half of the year.

Order—No. 207, Law (Education), dated 9th February 1921.

The Government sanction the distribution of a further subsidy of Rs. 42,943 among local bodies in the current year towards the net cost of the new high and middle schools opened under the sanction accorded in G.O. No. 902, Home (Education), dated the 10th August 1920, as shown in the annexures to these Proceedings. The Accountant-General is requested to place the amounts at the disposal of the local bodies at an early date.

Letter—from R. G. GRIEVE, Esq., M.A., Acting Director of Public Instruction.
To—the Secretary to Government, Law (Education) Department.
Dated—Madras, the 22nd January 1921.
No.—673-21.

With reference to G.O. No. 202, Home (Education), dated 10th August 1920, sanctioning the opening of new high and middle schools under the management of local bodies I have the honour to submit herewith statements showing the amounts required to meet the net cost of the schools in question during the second half of the year 1920-21. I request that the Accountant-General may be authorized to place at the disposal of the local bodies concerned the amounts shown in the last column of Annexure III.

2. The expenditure can be met from the provision of 3-59 lakhs for the opening of new Board and Municipal high and middle schools in the Civil Budget Estimate for 1920-21.

3. I beg to add that in Annexure II I have entered no amount against the Rajapalayam school in the Ramnad district bearing serial No. 35 as it has been brought to my notice that the school was not working in the first half of the current year. The amount paid on behalf of the school under the sanction conveyed in G.O. No. 902, Home (Education), dated 10th August 1920, will therefore be available for utilization in case the school is opened and worked during the second half of the year.

Order—No. 207, Law (Education) dated 9th February 1921.

The Government sanction the distribution of a further subsidy of Rs. 42,943 among local bodies in the current year towards the net cost of the new high and middle schools opened under the sanction accorded in G.O. No. 902, Home (Education), dated the 10th August 1920, as shown in the annexures to these Proceedings. The Accountant-General is requested to place the amounts at the disposal of the local bodies at an early date.

2. The expenditure will be met from the provision of Rs. 3-59 lakhs in the current year's budget estimate under "22 B—Education—Government schools, General—Opening new Board high and middle schools".
