DEPARTMENT OF EDUCATION.

Delhi, the 28th January 1921.

From

H. Sharp, Esq., C.S.I., C.I.E.,
Secretary to the Government of India,

To

The Secretary to the Government of Madras,
Law (Education) Department.

Sir,

In continuation of the Government of India Public
Works Department letter no. 1453. E.R., dated the 1st
November 1920, I am directed to forward an extract of
paragraph 3 of the Secretary of State's despatch no. 6-
Public (Students), dated the 23rd September 1920, on the
subject of the activities of the Students Advisory
Committees in India.

2. The Government of India recommend for the favour-
able consideration of the local Government the suggestion
made by the Secretary of State that these Committees
may be strengthened by the inclusion on them of
specialists, especially from the younger professors
who are acquainted with recent conditions in Educational
work in Great Britain.

I have the honour to be,
Sir,

Your most obedient servant,

M. Muhammad
for Secretary to the Government of India.

Public (Students)

India Office, London,

No.6.

23rd September 1920.

To His Excellency the Right Honourable the Governor General
of India in Council.

My Lord,

* * * *

3. It would appear that the useful activities of the
Advisory Committees are not so widely known in India as the
circumstances require, and they may well be strengthened by
the inclusion of more specialists, especially from among
the younger professors who are acquainted with recent
conditions in educational work in Great Britain.

I have the honour to be,

My Lord,

Your Lordship's most obedient humble Servant,
Sd. Edwin S. Montagu.
