From (Name) P.B. Thomas, Esquire,
(Designation) Inspector-General of Police.

To The Secretary to the Government of Madras,
Home (Educational) Department,

Sir,

I have the honour to request that Government will be pleased to exempt Bolar Giriappa from the minimum general educational qualification laid down in the Public Service Notification for appointment as Sub Inspector of Police.

2. The candidate who is a Tiyya by birth has been on field service for nearly 2 years in North Eastern Persia and is well spoken of by the Commanding Officer. I interviewed the candidate and consider him quite suitable for this department. I recommend him chiefly on account of his war service.

3. The usual form of application for exemption is enclosed.

I have the honour to be,
Sir,
Your most obedient servant,

The applicant has served only up to IV form and, this being the case, it is doubtful whether he will be able to sit through the Vell ore School Exⁿ successfully and discharge the duties expected of a Sub. Inspector. The minimum qualification (educational) for his appointment presented in P.O. 58, Vol I, is the possession of a Complete S. S. L. certificate: and the fact has been emphasized in the Police Administration reports that the class of Sub. Inspectors we are now getting is not equal to that secured when that rank was first created and that the defective English education of recent recruits has produced disappointing results - Please see portions marked at pages 7+20 of the Police Administration report for 1919, page 6 of the report for 1918 and para 5 of the review thereon and also Sir Harold Smart's notes at pages 1 and 4-5 of notes to G.O. 1768, End

31. 10. 12. The I.G. says that he has interviewed the candidate and considers him quite suitable. The exemption is recommended by him chiefly on account of the candidate's war service. The resolution of the Govt of India printed at pages 2-3 of G.O. 417 Rev (G.O. 11/1/21) of 10.9.19 lays down that military service shall ceteris paribus receive preferential treatment in the matter of civil appointments. The phrase underlined above ~~clearly~~ operates against the applicant and it is for orders whether the exemption sought for should be granted. The I.G. does not say that there is a dearth of qualified ~~Indians~~ Indians.

The candidate may have left school too soon, but he may nevertheless possess sufficient knowledge of English.

For orders.

Bolar Giryappa is an extraordinary name for a Tiyyan. I wonder whether the Inspector-General has made a mistake.

2. We are not told in what capacity he served on field service.

3. The Inspector General certifies him to be suitable for the department but I think there is force in the suggestion in the office note that we ought to be careful about lowering the educational standard of the Sub Inspector. My belief is that we originally expected to get graduates. We have now settled down to accepting Secondary School Leaving Certificate men. But I should hesitate, save in the most exceptional circumstances, to go below that. I would refuse the Inspector General's recommendation telling him why.

I have spoken to the Inspector-General about this case. He tells me that Bolar Giryappa is probably a Canarese Holeya though he described himself as a Tiyyan. Mr. Thomas is satisfied that Giryappa is likely to derive ^{as} much benefit from the school course as the average Head Constable promoted under Police Order No. 57; and it is not his intention to post him as a Sub Inspector if he does not reach a satisfactory standard.

In these circumstances I accept the
