Notes of Inspection of the Government Girls School at Panruti

by the Hon'ble Diwan Bahadur A. Subbarayalu Reddy, B.A.,
B.L., Minister for Education, Madras.

18-1-1921.

In the afternoon I inspected the Panruti Girls School in company with the Sub Assistant Inspectress of -- Schools who was good enough to travel from Cuddalore to meet me at the station. The strength of the School consisted of girls of all castes. They looked very smart and went through their lessons with great ease. The School is well-established in the town. It is located in a rented building and but for the accident of the building being under litigation for the past 3 years, there would have been difficulty in securing accommodation for the school in that building. It seems to me it is absolutely necessary that the Government should provide accommodation for the School in a building of their own. An excellent site will, at any time, be available for a School building south of the Bazaar Street between the new diversion road and the town. I should very much like a site is chosen in this part of the town in order that the other desideratum of lodging for the school mistresses in a sanitary part of the town might easily be complied with. Ordinarily the school mistresses are either comparatively young widows or unmarried girls. They will naturally require lodgings as near to the School as possible in order that they might live as economically as possible.
