Most Honoured Sir,

I most humbly and respectfully beg to bring the following few lines for your gracious honour's kind consideration and favourable disposal.

I was entertained in the Department as a V Class I Grade Clerk on Rs. 15/- on 5-3-1906 and afterwards transferred as a Typist as I was also qualified for that post. During this period I was also doing regular clerical duties and gained good experience in every Branch of the work. I have also worked in Section, Sub Division and Division Offices as a Clerk. A kind perusal of the several reports about me will convince the officers that I have been right

I most humbly and respectfully beg to state that I now learn that several of my Comrades in the other Circles of the Department who are my juniors in service & merit have had the fortune to get General Exemptions, up to Rs 60, 50, 40 etc. I humbly beg leave to quote in the margin the names of a few of them that have come to my knowledge.

I therefore most humbly and respectfully pray that your most-gracious honour will be graciously kind enough to extend the Generosity in my poor case also and lay my hard case before the Bengal Government and obtain their kind sanction to exempt me permanently without limit of pay in view of my long permanent service and experience and the several good reports I have been able to get.

The applicant is one of the best
Clerks in my Office - intelligent,
hard-working and very quick in his
work. He was for a long time doing
all the work practically of the
Head Clerk. He is a very deserving
man and I therefore recommend
his application strongly.

(14) Office Notes of the Accountants
 2 Managers of the Hindustani Western
 Division dated 13-10-1921 P. 219

Submitted for Special recommenda-
 tion. In my experience the appli-
 cant has been found to be an
 exceptionally useful as a clerk.
 But for the Examination Bar, he
 would be fit to be the Head
 Clerk of an office. His knowledge
 in Accounts also is not inferior
 to that of many of the passed
 candidates as he was originally a
 Clerk. I cannot add to the very
 best reports he has earned and
 his merits richly deserve special
 Consideration.

Submitted for favourable Considera-
 tion. I am unable to add
 anything to the very favourable
 record of the Clerk. From my
 experience of him, I have no
 hesitation to state that he will be
 more useful as Clerk than as a
 Typist and his capabilities are
 very well known to the Executive
 Engineer himself.

The humble representation of
Garimella Venkata Ramiah Clerk in the Office
of the Executive Engineer District Western Division
Most Honoured Sir,

With due deference and submission
I respectfully beg to lay the following facts
before your goodness trusting they will meet with
sympathy and support at your hands.

I am an unpassed Candidate having
passed in the late Matriculation Examinations
and have been an employee under Government
in the clerical branch of the Public Works Department
for the last 13 years. I was first appointed in the
Department in the year 1908. After putting in nearly
4 years service as temporary clerk on Rs 15.1.20, I
was confirmed as clerk on Rs 20/- in the reorganisa-
-tion of the clerical establishment in 1912. While
holding this appointment I was, in consideration
of my hard and good work in several capaci-
-ties recommended for the exemption from the
Provisions of Article 1 of the Public Service Notifi-
-cation with a view to my being promoted to
a clerical post in this Department on pay not
exceeding Rs 30/- per mensem and it was sanc-
-tioned by Government in G.O. No 1310-House
(Education) dated 5.10.19 Commu-
-nicated

22/11/20
24/11/20

with your honour's endorsement No. 6362C dated 31.10.18 and consequently I am holding a post on Rs 30/- for the last 16 months i.e. the maximum pay up to which I can be promoted under the present sanction.

While thanking Government for the help rendered to me, I venture to bring to your honour's notice that this concession was granted to me at a time when the initial rate of pay was Rs 20/- per mensem. I respectfully beg that your honour with your wonted kind-ness be pleased to recommend my general exemption from examination rules, so that I may have my usual promotion in consideration of my long and approved service of 13 years in the Department.

For this act of kindness and charity, I shall, as in duty, bound ever pray.

Copies of the testimonials and recommendations from the several Officers under whom I served are enclosed.

The clerk has been dealing with all papers connected with establishment matters. His misadventures with the accounts branch. I have found him prompt & up to date & honest in his work. I shall certainly prefer him to the present day paper man in respect of efficiency - though there was no opportunity to try him in a subordinate. I consider that he can be entrusted with the duties of a subordinate. *henceforth*

Most Honoured Sir,

In obedience to your honour's Memorandum No. 619.D. dated 24-9-1918. I was again deputed to the Military Service to work under the Assistant Recruiting Officer, Secunderabad who pleased to offer me a Clerk's post on Rs40/- per mensem, I am now working under him since 1st December 1919.

I humbly beg to submit that I have been exempted for the permanent Clerical posts on pay not exceeding Rs30/- per mensem in the P.W. Department. Vide please your honour's No. 6689-C. dated 16-10-19 on my petition dated 26-6-19, bearing Second Circle Superintending Engineer's No. 292.W. dated 2-8-19.

In this connection, I humbly beg to bring to your honour's kind notice that the exemption so kindly granted to me up to Rs30/- per mensem would not effect me much, as the present scale of Clerks (in starting) has been increased from Rs 20/- to Rs30/- per mensem.

I therefore humbly pray your gracious honour will reconsider my case and will condescend to recommend to the Government, in consideration of my satisfactory and continuous service of about seven years in P.W.D. and one year Hard and Important Military Service under the A.R.O Secunderabad, to grant me General exemption from the required educational qualifications to have further prospects.

For which act of kindness, and generosity, I shall as in duty bound ever pray for your honour's long life and prosperity.

I humbly beg to remain,
