DEPARTMENT OF EDUCATION

Copy of a letter dated the 10th January, 1921,
from the Secretary to the High Commissioner for
India, India Office, London, to the Secretary to
the Government of India, Department of Education.

I am directed by the High Commissioner for India
to inform you that intimation has been received from
the Secretary to the Delegacy for Oriental Students
at Oxford:-

(1) that the list of Oriental applicants for
admission to that University in October, 1921,
will close on March 31st, and will be circulated
to the Colleges and the Censor of Non-Collegiate
Students early in April;

(2) that the names on that list will be classi-
fied as follows -

- (a) Indian Probationers
- (b) Ordinary Indian Candidates.
- (c) Candidates from other parts of the Empire
- (d) Candidates from other parts of the world.

It appears desirable that this decision should be
made known to the Government of India and the
local Governments, especially in view of the fact
that, in consequence of it, it becomes of great
importance that the names and qualifications of
selected Probationers for the Indian Services, who
desire admission to Oxford in October 1921, should
be communicated in time to enable the necessary
particulars to be supplied to the Secretary to the
Delegacy for Oriental Students prior to March 31st
next.
