Delhi, the 3rd February 1921.

Sir,

I am directed to forward for information a copy of a communique which has been issued by the Government of India warning Indian candidates, who intend to proceed to Europe for Engineering education with a view to appointment to the Indian Service of Engineers, of the reduction of the maximum age limit from 24 years to 23 years from the year 1924, and to request that it may be given wide publicity among the student community through the medium of educational institutions and the local Advisory Committee or the Information Bureau.

I have the honour to be,

Sir,

Your most obedient servant,

R. P. Hadow

Communique.

In the regulations governing the recruitment of Assistant Executive Engineers in England by the Secretary of State for India in Council for appointment to the Indian Public Works Department and State Railways it is laid down that an Indian candidate must have attained the age of 21 and not attained the age of 24 years on the first day of July of the year in which he offers himself for appointment. The Secretary of State for India in Council has decided that the maximum age limit of 24 years referred to above shall be reduced to 23 years from the year 1924.

Students intending to proceed to Europe for Engineering education with a view to appointment to the Indian Service of Engineers are warned to take note of this change.
