M I In return C. Reyesopchigo, of

Reynosa is said to have suspended practice. He
promptly denied. When he practices he has
allege has suspended practice & when he is
appearing in the cases is not clear. It is different
kind of affair which is expected from pleaders
who determine on ceasing to practice. In the case
of grade pleaders who do not want to practice, they
would not ask for such certificate. Beyond
high court certificate, I presume they are not going to
ask the high court to remove their names from
the roll.
