Madras.

Sir,

Under instructions from the President and the Committee of the Indian Mathematical Society, I have the honour to inform you that owing to the kind invitation of the Punjab University Mathematical Association, the Committee have resolved to hold the THIRD CONFERENCE of the Indian Mathematical Society at LAHORE during the next Easter holidays (26th, 27th and 28th March 1921).

On previous occasions and for similar conferences, your Government have been kind enough to grant to the various Government servants in your Province, who are members of our Society, facilities in the form of actual travelling allowances ~~to attend~~ to attend such conferences and our Committee take this opportunity to request that your Government will not fail to grant similar concessions to members of the Indian Mathematical Society in your Province to attend the next conference.

Thanking you in anticipation,

I have the honour, to remain,

Sir,

Your most obedient servant,

D. D. Kapadia
Hon. Joint Secretary, Ind. Math. Society.

Forwarded through the Director of Public Instruction, Madras, for favourable recommendation.

Through the Director of Public Instruction,

Madras.

Sir,

The Third Mathematical Conference of the Indian Mathematical Society is to be held at Lahore during the coming Easter Holidays and as the Local Secretary of the Society I am directed to approach you with the request that the Government of Madras will be pleased to permit a large number of officers who are members of the Society to attend on duty the said Conference and thus promote the objects of the Society, viz. the advancement of Mathematical Study and Research in India.

The Society has been existing for the last 14 years and its first Conference was held in Madras in December 1916 under the patronage of His Excellency Lord Pentland, and a number of officers of the Bombay Educational Department were deputed by the Bombay Government to attend that Conference. The second Conference was held in January 1919 at Bombay under the patronage of His Excellency the Governor of Bombay and a number of officers from Madras and other provinces were deputed to attend on duty the said conference. The present is the third conference and it is to be held during the Easter Holidays so as to cause the least disturbance to the usual work of the colleges and the conference is being held only once in two years unlike the Indian Science Congress and other conferences which meet annually, so that, the Society intends on the patronage of Government less frequently.

The following is a list of officers who have taken an

active part in the work of the Society and I request the Government to be pleased to permit at least these officers, as on the occasion of the second conference, to attend this third conference for which act of patronage the Society shall feel ever grateful.
