Station Madras, Dated the 20.12.1920

From (Name) The Hon'ble Mr. R.E. Grieve, M.A.,

(Designation) Ag. Director of Public Instruction.

To The Secretary to the Government of Madras,

(Through HOME (EDUCATION) Department.
the Accountant-General).

Sir,

I have the honour to request that sanction may be accorded to the employment with effect from 1st January 1921 of an attender on Rs. 12/- per mensem (exclusive of the present temporary allowance) in the Teachers' College, Saidapet, to work specially in the geography department of the college.

2. The sanctioned scale of menial establishment of the college consists of 2 attenders on Rs. 12/- each and 9 peons (one on Rs. 10/- and 8 on Rs. 9/- each). The two attenders are attached to the Physical Science and Botany Laboratories. As

regards peons, it is stated that one is working in the Physical Science Laboratory, one in the Kindergarten section, one in the Secondary Training Class, two in the model school and the remaining 4 in the college department, and the Principal reports that even these four peons and two attenders are found insufficient for the college department and that therefore it is not possible to utilise the services of any one for the geography department. The result of this is that the geography lecturer has had to limit his loans, as otherwise he cannot deal single-handed with all applications for loan promptly and check issues and returns. Maps and pictures are lent to the Kindergarten section, instruments and apparatus are often requisitioned by the Mathematics, Science and Secondary Training Sections and books etc. have to be issued to students and members of the staff. All this the Lecturer has to do in addition to his own work which consists of 19 periods a week of lecturing and teaching work besides scrutiny of observation of criticism books and practical work of about 40 students. As such a limitation of the usefulness of the geography section is very undesirable, I have the honour to request that my proposal for the creation of a post of attender may be sanctioned.

3. The additional expenditure involved by the proposal during the current year can be met from the anticipated savings out of the provision for 'Establishment' under '22 D. Education, Colleges, Professional'. As for the amount required for next year, I request that the necessary provision may be inserted in the Budget Estimate for that year.

I have the honour to be,
Sir,
Your most obedient servant,

D. Subbaramaiah
for Director of Public Instruction.

The Reforms Commissioner in suggesting a pay of Rs 20-1-35 for attenders has proposed that a great number of the present attenders in the Revenue Department should be regraded to the grade of peons. Vide para 3 of his note no-iii. This principle will apparently have to be extended to other departments also. In view of this and in view of the duties which the man now proposed will have to perform in the Teacher's College, it seems sufficient in the present case to sanction a peon on Rs 12 p.m. inclusive of the temporary additions to pay H. granted under G.O. 700 dind. dt 2.8.20. and Q G.O. 780 dind. dt 28-8-20.

2. It seems that the creation of the appointment of the ^{the} attender or peon can be postponed at least till 1.3.21.
3. The sanction may be registered as no 4 of 1921-22.

In his letter no. R.O.C. 8171/20, D.O. 12.20. The D.O. has proposed the employment of an attender on Rs 12/- per mensem in the Teachers' College, Saidapet, to work in the Geography dept. of the college. The Reforms Commissioner has, however, recommended that a great number of attenders in the Revenue Dept. should be relegated to the grade of peons. This principle will apparently have to be extended to other departments also. In view of this and of the duties which the man now proposed will have to perform in the Teachers' College, it seems sufficient to sanction a peon on Rs 12/- per mensem inclusive of the temporary addition to pay sanctioned for high prices. The sanction may be given effect to from 1.3.21. The D.O. may be requested to state whether he has any objection to this.
