Public.

Delhi, the 27th November 1920.

SIR,

I AM directed to refer to the Resolution of the Government of India in the Home Department, no. 2366, dated the 15th September 1920, on the Report of the Government of India Secretariat Procedure Committee. In the Resolution it was intimated that the Government of India have decided to accept the Committee's recommendation no. 38, the grounds for which are explained in paragraph 74 of the Report.

2. The object is to secure the services of those retired members of the Public Services of India and business men who have retired from work in India, who would be willing on occasions to respond to an invitation from the Government of India to return temporarily to duty for the purpose of some specific work, e.g., service on a Commission appointed to conduct some particular enquiry, or some special work of a temporary nature in connection with the Department in which an officer formerly served.

3. So far as retired members of the Public Services are concerned, it has therefore been decided that registers shall be maintained by the Government of India in the Home Department and at the India Office; the register at the India Office will be kept up from materials supplied to it from time to time by the Government of India, but will be confined to those officers only who intend to retire to the United Kingdom or Europe. All officers of the Imperial Services, whether employed under the Government of India or under a local Government, who are about to retire, may, if they so desire, apply to have their names entered in the register, but it will be open to the Government of India not to include the name of any particular officer. An officer

who has served under a local Government should apply through that Government and the application should be forwarded with the local Government's remarks thereon to the appropriate Department of the Government of India. An officer who has served directly under the Government of India should similarly forward his application to the appropriate Department of the Government of India. The application will then be forwarded in due course to the Home Department for the entry of the officer's name in the register. Applications should be made in the form attached to this letter. It is particularly important in the case of officers who retire to England or Europe that an address which may be regarded as permanent should be entered. The name of an officer will be removed from the register ten years from the date of his retirement or on the attainment of the age of 65, whichever may be earlier.

4. Any officers of the Imperial Services, who have already retired within five years from the date of this letter, may, if they so desire, similarly apply to have their names entered in the register. Their applications should be made in the same form and should be similarly forwarded either to the local Government or to the appropriate Department of the Government of India.

5. I am to request that, with the permission of His Excellency the Governor ^{etc.} in Council, steps may be taken to make this decision known to officers of the Imperial Services who have retired from service under the local Government during the last five years and who are resident in the Madras Presidency ^{etc.} and also to such officers when they are about to retire, and to supply such officers with the necessary forms of application if they are required. The Government of India will take separate steps to cause the decision to be communicated to such retired officers of the Imperial Services as are resident in the United Kingdom or Europe.

6. The Government of India do not consider it necessary to keep a register for retired business men as they will be able to give effect to the Committee's recommendation with the help of the Chambers of Commerce in India, who will be sufficiently in touch with those of their members who have retired recently and whose services are likely to be of value.

I have the honour to be,

SIR,

Your most obedient servant,

H. TONKINSON,

Addl. Deputy Secretary to the Government of India.

To

SIR,

I desire to have my name entered in the Register, maintained in the Home Department of the Government of India, of retired members of the Imperial Services who are willing to respond to an invitation from the Government of India to return to duty for the purpose of some temporary specific work.

The necessary particulars for entry in the register are given below.

I have, etc.,

1. Name—
2. Date of Birth—
3. Date of retirement—
4. Permanent address (after retirement)—
5. Name of service in which employed—
6. Senior appointments held before retirement—
7. Remarks of local Government—
8. Remarks of Department of Government of India—
