through the Accountant General, Madras.

Sir,

I have the honour to request that, in the circumstances explained hereunder, Government may be pleased to sanction the employment of an additional peon, on Rs.12 per mensem in the Government Training School for women, Tanjore.

2. When the school was at Karantattangudi, there were two peons but on its removal to the Tanjore Palace (vide G.O.No.1014 Home (Education) dated 4th August 1917) only one

one peon was given to it, the other one being retained for the Government Girls' School, Karantattangudi. There are 4 sections in the training department with a strength of 82, while the model school has 113 girls distributed among 8 standards. The Inspectress of Girls' Schools, Southern Circle, reports that as it is impossible for one peon to manage the work of such a large institution the employment of a second peon has become necessary, as in the case of the other large training schools for women.

I accordingly recommend the employment of a second peon on Rs.12 per mensem (inclusive of temporary additions to pay) with effect from the 1st March 1921.

3. The extra expenditure involved by the proposal amounts to Rs.144 per annum and I request that provision for the charge in 1921-22 may be inserted in the Budget Estimate of that year now under the consideration of Government.

4. The sanctioned scales of staff and pay are as given hereunder. -
