Copy of letter of the correspondent Wesleyan Mission
High School, Negapatam dated 18th January 21.

With reference to your proceedings R.C.No.4364/14 dated
6th January 21 regarding the acquisition of the land mea-
suring 2 acres 22651 square feet for a playground for this
High school, I have the honor to state that the authorities
of the school consider the cost is too high for the site
The land in question is a piece of waste land near the sea
and about a mile from the school. It is quite unsuitable
for a building site.

The authorities of the school instruct me to state they
are not prepared to take this land for the price demanded
but should wait until we are able to secure a better site
for our playground.
