From

M. R. Ry. P. V. Seshu Ayyar Avgl.,
Professor of Applied Mathematics,
Presidency College, Madras
and Member of the Managing Committee of
the Indian Mathematical Society

To

The Secretary to the
Government of Madras,
(Education Department)

Sir,

The Third Mathematical Conference of the Indian Mathematical Society is to be held in March next during the Easter Holidays at Lahore. I am directed to request, on behalf of the Managing committee of the Indian Mathematical Society, that the Government will be pleased to permit a fairly good number of its officers who are members of the Society to attend on duty the Conference, and thereby promote the objects of the society, viz, the advancement of study and research in Mathematics.

2 About the Educational officers who are members of the Society I have separately addressed the Director of Public Instruction.

Outside the Educational Department, there are some members who are taking a keen interest in the work of the society and the society will feel thankful if some of them are deputed to attend the conference. Among such members are (1) Mr. V. Ramaswami Ayyar, M.A. Deputy Collector, Tinnevely, (2) Dewan Bahadur R. Ramachandra Rao B. A, Home Secretary, (3) Mr. S. V. Ramamurti, I.C.S.,

3 The first is the founder of the Society and has been contributing largely to the Journal of the Society. The second was once the President of the Society and it was in his time as President that the first conference was held in Madras in December 1916 and was opened by His Excellency Lord Pentland. The third has been a member almost from the very inception of the society and has been contributing very valuable articles to the conferences, and this year also he proposes to read a very interesting paper on the "Structure of Matter".

1972
2.8.19
4 I may also add that all these three officers were deputed to attend the second conference held at Bombay in January 1919.

5 I once again respectfully request that the Government will be pleased to permit these officers at least (in addition to the officers of the Educational Department who may be recommended by the Director of Public Instruction) to attend the said conference.

I have the honour to be,
sir,

Your most obedient servant,

J. K. Seshu Aiyar

Presidency College,
Madras, 23-2-1921.

Professor of Applied Mathematics.

+ Member, Managing Committee of the
Indian Mathematical Society.

Station Madras, Dated the 4th March 1921. 191

From (Name) R.G. Grieve Esq., M.A.,
(Designation) Ag. Director of Public Instruction.

To The Secretary to the Government of Madras,
Law (Education) Department.

Sir,

I have the honour to invite a reference to G.O.

No. 269 dated 22nd February 1921 permitting the four officers of the Educational Department to attend the meeting of Indian Mathematical Society to be held at Lahore during ensuing Easter Holidays and to recommend that the under-mentioned officers also may be permitted to attend the same meeting during Easter Holidays at Lahore.

- (1) M.R. Ry N. Raghunathan, Assistant Professor of Mathematics, Presidency College.
- (2) ,, C.N. Ganapathy Ayyar, Lecturer in Mathematics, Ceded Districts College, Anantapur.

The former is the ^{Honorary} Assistant Secretary of the Society and the latter was the Assistant Secretary so long

as he was in Madras. Under rule 57 of the Civil Service Regulations they may be treated as on duty and permitted to draw travelling allowance admissible under the rules for their journey to and fro.

I am informed that M.R. Ry K. Ananta Rao, Professor of Mathematics, Presidency College has no intention of attending the meeting.

I request the favour of very early orders.

I have the honour to be,

Sir,

Your most obedient servant,

Dubshuranta Chell
for Director of Public Instruction.
