(Designation)

Ag. Director of Public Instruction

To The Secretary to the Government of Madras,

Law (Education) Department.

Sir,

I have the honour to submit with my remarks the proposals of the Collector of South Arcot for the formation of an Educational Council in his district.

2. The Collector proposes that 11 members be elected and 11 nominated. This is impossible under the Act.

The only course seems to be to invite the attention of the Collector to the provisions of Section 5 of the Act and to ask him to send in revised proposals. I am of opinion that considering the small number of local authorities it will be desirable to permit each of them to elect two members. This would give 14 elected members

*excluding the St. Board

members which together with one elected from the District Board and one from the Pondicherry Mission will total 16.

The nominated members may be the Sub Assistant Inspectress of Girls' Schools, one other suitable woman, one Panchama and one Muhammadan. In addition to these nominated members it will still be open to Government to nominate a fifth member to represent any particular community or interest which they deem fit. I should not have thought it impossible for the Protestant Missionary Societies who are stated to be maintaining a hundred schools between them to unite in order to elect a member. I think that at any rate they should be given the opportunity of doing so. I agree with the Collector's proposals to allow the Council to elect its President from the first.

Copy of a communication from the Inspector of Schools, XV Circle, Cuddalore, to the Collector of South Arcot, No.2/21 dated the 13th January 1921.

---*O*---

With reference to your letter Ref. on C. No.8468/20/A/10 dated the 24th December 1920 regarding the constitution of the proposed District Educational Council, for this district, I have the honour to state as follows:--

2. There are in this district, in round figures 1550, Elementary Schools, classified as follows:--

Government ...	2	Aided Mission Catholic ...	60
Municipal ...	20	do. non- do. ...	100
B o a r d ...	270	Aided non-mission ...	1100

3. It is not possible to assign seats, merely proportionate to the number of schools under each kind of management. I therefore propose the following constitution.

Ex-O f f i c i o

			Total
I	(a) The Collector ...	1	3
	(b) The President, Dt. Board. ...	1	
	(c) The Inspector of Schools. ...	1	

E l e c t e d.

II	(a) Municipalities of Cuddalore, Chidambaram and Villupuram, 1 each ...	3
	(b) Taluk Boards of Vriddhachalam, Chidambaram and Cuddalore, 1 each ...	3
	(c) Taluk Board, Tirukkoyilur.	2
	(d) do. Tindivanam	3
	(e) Roman Catholic Mission (St. Joseph's) ...	1
	(f) American Arcot Mission as representing the Protestant Mission ...	1
	(g) Teacher. Managers.	5
	Total ..	18

N o m i n a t e d.

III	(a) L a d i e s. ...	2
	(b) Muhammadans. ...	1
	(c) Panchamas ...	1
	Total...	4

IV Others. ... 2

The total strength of the Council may be fixed at 27 which leaves not more than six seats for nomination as per the Act.

4. There are at present no associations of aided school Managers alone. The five seats assigned to the Teacher-Managers may be filled up by election from among the managers of the various teachers' Associations in the five taluk board areas, one from each. As regards Ladies, one of the two seats may be offered to the local Sub Assistant Inspectress. Of the two nominated seats left for others, one may perhaps be offered to the Headmaster of one of the Training Schools at Villupuram, Cuddalore and Chidambaram. I am of opinion that the council may be allowed to elect its own President.

Remarks of the Collector.

I propose a maximum strength of 25.

Of these three will be ex-officio namely, the Collector, the President of the District Board, and the Inspector of Schools.

The Taluk Boards of Tindivanam and Tirukkoyilur will elect two representatives each.

The remaining local authorities, namely the Taluk Boards of Chidambaram and Vriddhachalam, the Municipal Councils of Cuddalore, Villupuram and Chidambaram, and the District Board, will each elect one member.

The Pondicherry Mission (Roman Catholic) may be authorized by notification to elect one member.

Other members may be nominated as follows:--

Sub Assistant Inspectress of Girls' Schools	1
Muhammadan	1
Panchama	1
Managers of Teachers' Associations...	5
Protestant Missionary.	1
Others.	2

No name of a suitable woman other than the Sub Assistant Inspectress has been suggested by the Inspector and I do not know of any.

The Pondicherry Mission is the only body having a sufficient number of schools in its charge (60) to be accorded the privilege of electing a member. There are three Protestant Bodies maintaining 100 schools between them. It is not practicable for them to associate for the purpose of electing a member. Hence they may be represented by nomination as proposed.

One seat each may be reserved for nomination of a Muhammadan and of a Panchama and probably another nomination of a Muhammadan would be made if no Muhammadan were elected.

The Educational Council should be allowed to elect its

its President from the first.

2. As pointed out by the D.P.I, the Collector's proposals cannot be accepted as the number of nominated members is very nearly equal to the elected members, and this is contrary to the provisions of section 5(7) of the Act. The D.P.I suggests that the Collector should be asked to revise his proposals. At the same time, he has made certain remarks in regard to the constitution of ~~the~~ District Educational Council. The composition of the Council as suggested by him will be as follows:-

3. The three municipalities maintain between them only 20 schools and it will perhaps be sufficient to allow them to elect only one representative each. The total strength of the council, excluding ex-officio members, will then be ~~24~~ ²¹ and the nominated members (5) will not be in excess of the authorised proportion.

4. It is for consideration whether a representative

of Teacher-managers may not be appointed by the Government. The number of schools under their

management school on the 31st March 1920 was 822. The "Other" under nominated members may be specially assigned to teacher managers.

5. The Collector and the D.P.I recommend that the Council may be allowed to elect its President.

~~The order to be made.~~ This may be accepted.
