Re No. 155/21

Station Madras,

Dated the

3 — 2 — 191

From (Name) R. G. Grieco, Esq., M.A.,

(Designation) Ag. Director of Public Instruction

To The Secretary to the Government of Madras,

Law (Education) Department.

Sir,

I have the honour to submit with my remarks the proposals of the Collector of Madura for the formation of a District Educational Council in his district.

2. The Collector proposes that the Municipalities of Kodaikanal, Palni, Bodinaikanur and Periakulam should send no representative. This is not in keeping with the Act. Under the Act every local authority is entitled to elect a representative. I would suggest, therefore, that in addition to the Collector's proposals the above-mentioned 4 municipalities should each elect one representative. I would also suggest that the

K. S. Gupta

Leahon
5 (5) of
the Act (1907)

the Sourashtra community be permitted to elect a member.

In the event of the Sourashtras being unable to elect a representative a member of that community might be

nominated. The Collector suggests the nomination of one

lady. I would propose two. The Collector is of the

opinion that the Council should not at first elect its

president. Seeing that other districts are likely to

have elected Presidents on the recommendation of the

Collectors, I am doubtful whether the suggestion of the

Collector of Madura will commend itself to Government.

3. I may point out here that it may be necessary at some future date to declare Madura city a separate area under the Act.

I have the honour to be,

Sir,

Your most obedient servant,

R. S. S. S.

be fourteen elected members and three members may be nominated, one being a woman and one to represent the Muhammadans and another to represent the important vallar community. There will be 4 ex-officio members, namely, the Collector, the President of the District Board, the Inspector of schools and the Assistant Inspector of schools: thus the council will contain elected members 14
Nominated members 3
Ex-officio members 4

The Missions other than the American Madura Mission and the Roman Catholic Missions may be allowed to combine to elect one member.

2. It is impossible to arrange that the various bodies shall be represented proportionately to the number of schools which they maintain without making the council much too large and unwieldy.

3. No elementary boys schools and two others maintain Two of the municipalities maintain an insignificant number of schools so they need not be allowed to elect a member unless and until they take an appreciable share of the burden of maintaining elementary schools.

4. At first, I think the council should not elect its president.

I have the honour to be,

Sir,

Your most obedient servant,

John Bain Michael
