From (Name)

(Designation) Ag. Director of Public Instruction

To The Secretary to the Government of Madras,
Law (Education) Department.

Sir,

I have the honour to submit with my remarks the proposals of the Collector of Trichinopoly for the formation of an Educational Council in his district.

2. The proposals may be accepted but I would suggest that the Municipality of Trichinopoly be allowed two representatives.

I have the honour to be,
Sir,
Your most obedient servant

Refce:-- No. 3985 A-1 dated 17th December 1920.

I have the honour to make the following recommen-
dations for the constitution of District Educational Council.

2. Under section 5 (2) the Collector is an Ex-Officio member of the Council. The Inspector and the Asst. Inspector are also Ex-Officio members. The President of the District Board being other than the Collector under section 5 (4), the District Board is entitled to elect one member in addition to the president. Under section 5 (5) the Taluk Board and each Municipal Council are entitled to elect one member at least. To give each local authority bigger representation than this

P.T.O.

than this would be to make the Council unwieldy. In addition to this, I recommend the recognition of the following authorities which have a large number of elementary schools. (1) The S.P.G. Mission --one member (2) the Roman Catholic Mission --one member (3) Wesleyan Mission one member. There are not so far as I know at present any Hindu Educational bodies maintaining any large number of schools. But provision could be made for such bodies if necessary. There should be at least two women on the Board, one of these should be the Inspectress of schools and the other should be nominated. There are several ladies engaged in Educational work in Trichinopoly from whom a member may be selected. If Muhammadans are not represented otherwise at least one seat should be reserved for them. I am inclined to think that the interest of other backward classes would be fully represented by the missions. It must be remembered that this being ^{an} educational body, it is useless to appoint illiterate people upon it and the interest of backward class would, therefore, be best secured by appointing an educated person from some other class to represent them. For the immediate purpose of the Board, I would recommend the Chairman of the Municipality, Trichinopoly or his brother both educated men, to represent the Muhammadans. I would suggest that one of the professors of the National College, which will not be otherwise represented may be selected to represent the backward class of Hindu. The total number of members would thus be :----

Collector	1	
Inspector of Schools	1	
Asst. Inspector of Schools	1	
President District Board	1	
One Representative of District Board	--1	
Taluk Board members	6	(at present)
3 Municipal Council Members	3	(Karur, Trichinopoly, Srirangam.)
S. P. G.	1	
Roman Catholic Mission	1	
Wesleyan Mission	1	
Hindu Educational Bodies, if any	1	

Inspectress of Schools	1
Other ladies	1
Muhammadans	1
Hindu Backward class	1
	22

If necessary 24 may be made the maximum number and the other two seats filled up or not as seems desirable or necessary. I do not think the Board should be any larger than this. The Board will be a strong one and may well elect its own President from the start.

I have the honour to be,
Sir,
Your most obedient servant,

Edward

Law (Ldn) Dep

(C.No.502) From the D.P.I No.155/21 dated 3-2-21

Subject: Formation of a District Educational Council for the district of Trichinopoly

The Collector's proposals for the formation of a District Educational Council for the Trichinopoly District are summarised on pages 3 & 4 c.f.

2.The proposal for the election of a member by Hindu Educational bodies if any, appears rather vague. The provision may be omitted. As suggested by the D.P.I the Municipality of Trichinopoly may be allowed to elect two representatives instead of one as suggested by the Collector.

3.The Collector states that there are 6 Taluk Boards at present. L & M may be asked for definite information on the point.

4.It is for consideration whether Govt may not nominate a representative of Teacher-managers. If so, the provision for the nomination of a second lady may be omitted.

5.The Collector may be asked to nominate a person who will be really a representative of the backward classes instead of confining his selection to one of the Professors in the National College.

6.The Collector recommends that the Council may be allowed to elect its President. The point is for orders.
