Circle.

MAY IT PLEASE YOUR EXCELLENCY,

1 The most humble memorial of the peon of the Educational Department humbly and respectfully sheweth.

2 The Government is fully aware of the fact that the price of food stuffs and other commodities necessary for life has greatly increased and the cost of living has been discussed every now and then by the officers of various Departments concerned. It is necessary for Your Excellency's poor memorialist to repeat his sufferings even for the bare necessities of life.

3 The table appended below will show at a glance how matters stood in the years 1900 and 1912 when compared with those now standing and the requirements for a smallest family of two souls for bare maintenance of life as verified by experience.

Summary of notes

NOTES.

4. It will be thus seen that the cost of living has been steadily increasing. How the poor peons etc. can maintain their parents and children can better be imagined than described. The other items of expenses also such as school fees, marriages, funerals, etc. and to their misery and calculating the prices of necessaries of life as now ruling a sum of Rs. 20 a month is the lowest minimum required for the maintenance of 2 souis.

5. Ordinary labourers such as bricklayers earn at the rate of Re. 1 to 1-3-0 per diem and petty coolies who do not have any professional knowledge earn not less than 0-3-0 a day. Whereas the pay of the petitioner varies from 6 to 7 Rs a month and comes to nearly 0-4-0 a day. If the Government be pleased to raise the pay of the peons to such a scale as to be just sufficient to enable them to maintain themselves and their family it will greatly reduce the misery experienced. Initial pay of Rs 20 a month with biennial increment of Re 1 is the lowest scale necessary.

6. The cost of education having been enormously increased, really wealthy people alone can educate their children and it will be an act of charity if Government be graciously pleased to provide free education to the children of the peons & other menials.

7. A period of continued service of 30 years has been fixed by rules for pension.

8. Your Excellency's humble memorialist pray that Government may be graciously pleased.—

(1) to view this memorial with paternal affection and sympathy

(2) to raise the pay of the peons so at least to Rs 20 per mensem

(3) to raise the scale of daily batta and milage.

(4) to reduce pensionable service to 25 years.

(5) to give free ^{education} to menials children

(6) to give 3rd class travelling allowance for the carriage of personal effects in the case of journeys on transfer.

9. For this act of kindness the humble memorialist shall ever pray for your Excellency's long life and prosperous Government.

This is a question that affects
all departments. Is there any
idea to investigate requests
3.4.5 & 6? Obviously action
in an isolated dept is unnecessary

Finance department.
(C.S.R. & Pensions)

This department is concerned with the requests
in paras 8 (3), 8(4) and 8(6) on page 3 C.F. Para
8(5) regarding free education to menials' children
is a matter for consideration in Education in
the first instance.

2. Para 8(3) on p. 3 C.F. Increased batta
and mileage.

(a) The rate of batta or daily allowance to
4th class officers in this Presidency was raised
from 2 annas to 4 annas in 1919 - G.O. 279, Finl.
dated 28-3-19. There is no proposal to raise it
further.

(b) It is proposed to raise the mileage rates of
the 4th class officers from 1 anna to 2 annas.
(G.O. 163 Finl., dated 18-2-21 ~~in press~~).

3. Para 8 (6) on page 3 c.f. - grant of third
class travelling allowance for carriage of personal
effects in case of journeys on transfer.

Being inferior servants they should not be

transferred save in exceptional cases. On transfer they are only entitled to travelling allowance under ordinary rules - single railway fare and daily allce. vide para 4 (F) of the new article 1094 C.S.R. - (para 2 of G.O. 496 Fin: dated 31-5-1920 and articles 1012 and 1073)

Through Pension

There is no proposal now before Govt. to raise the above rate.

Para 8(4) on page 3 C.F. - pensionable service being reduced from 30 years to 25 years.

Under article 481 (b) (3) of the C.S.R., a service of not less than 30 years is necessary for peons to earn a pension of half-pay subject to a maximum of Rs. 4 p.m. The Govt. of India have recently sanctioned a scheme for relief of small pensioners, under which those getting a pension of Rs.10 and less will have an additional allowance of Rs. 2 p.m. The scheme is, of course, temporary and subject to revision after three years. Even if the scheme is not made permanent, the Govt. of India are not likely to grant the concession of a pension to menials on 25 years' service as prayed for by the memorialists.
