Tinnevely Collector's office,

Enclosures:-

Dated 18th November 1920.

From

E.A. Davis Esquire, I.C.S.,  
Collector of Tinnevely.

To

The Secretary to Government,  
Home-(Education) Department,  
M a d r a s.

Sir,

With reference to G.O. No. 921 Home (Education)  
dated 25-3-19, I have the honour to submit herewith for  
favour of approval and publication in the Fort St. George  
Gazette a draft notification for the lands required for a  
building and a play ground for the Sri Mandiramurti Secondary  
School, Tinnevely. The school committee which has been  
registered under the Indian Companies Act, VII of 1913, has  
consented to deposit Rs.3,594/- referred to in the G.O. and  
to pay any excess amount that may be found necessary later  
on and also to abide by the conditions of the grant-in-aid  
code.

2. Of the 2.50 acres of wet land proposed to be  
acquired, 4 cents of ryotwari lands belong to Sri Swami  
Nellaiappar and Kanthimathi Amman temple Tinnevely and the  
remaining 5 cents of ryotwari and 2.41 acres of Inam lands

belong

belong to the Thiruvaduthurai Mutt. The trustees of the temple are willing to part with the 4 cents belonging to the temple but demand compensation at Rs.50/- per cent. M.R.Ry. Vaithilinga Tambaran Avargal the accredited agent of the Thiruvaduthurai Mutt states that the lands are very valuable and are such as cannot be parted with and that in case the acquisition is insisted upon, compensation should be paid at Rs.281-4-0 per cent on the ground that the land could be used as house site and should be valued as such. Thus the real objection is in point of valuation only. The Tahsildar has estimated the value of the lands at Rs.29½ per cent basing his calculation on a sale deed executed by a different person on 1-11-19 for an adjacent land. Similar lands in the vicinity were acquired in 1918 for a conservancy cart stand at Rs.28-2-0 a cent. The Divisional Officer has adopted that rate in the valuation statement. The institution will be accessible to all classes of persons including panchamas. It is reported that there are two small <sup>cc</sup>peedams in about 2 cents in the south west corner of the site proposed to be acquired. The Tahsildar says from enquiry that these <sup>cc</sup>peedams are liable to be removed to some other site if the Mutt authorities direct their removal. No objections have been raised for the acquisition on account of the existence of these small devil peedams and it is not likely that any will be raised. I am however asking the Divisional Officer to obtain a statement from the parties concerned to the effect that they have no objection to their removing these small peedams to some other place.

I have the honour to be,

Sir,

Your most obedient servant,

K. Rama Varma  
For Collector.
