To The Secretary to the Government of Madras,

Department.

Sir,

I have the honor to solicit the sanction of Government for a grant amounting to Rs 10050/- being the additional sum required for the construction of a building for the Hindu Girls' school at Negapatam. Government were pleased to give grants from Provincial Funds for this purpose to the extent of Rs 13500, in G.O. Nos 179 Financial dated 12-3-1918 and 304 Home dated 12-3-1919. A suitable site for the school in the heart of the town has been acquired at a cost of Rs 7750/-. There is a sum of Rs 5750, available from the grants

has sanctioned an estimate amounting to Rs 15800, for a building. The work cannot be taken up as the funds available are not sufficient for completing the building. The council is quite unable to finance the work from its normal funds. I am aware that Government have already helped this council very liberally in this and other matters, but considering the importance of the work and the financial inability of this council, I request that Government will be pleased to treat this application as a special one and sanction a sum of Rs 10000/-. If however Government considers that the whole amount cannot be sanctioned as a grant, I request that a grant of Rs 5000, may be sanctioned by Government leaving the council to find from its resources the remaining sum required for this work. A copy of the Councils resolution is enclosed.

I have the honor to be,

Sir,

Your Most Obedient Servant

A. Marikar
Chairman.
