Station Madras, Dated the 9 December 1920

From (Name) Hon'ble Mr. R.G. Grieve, M. A.,

(Designation) As Director of Public Instruction,
Madras.

To The Secretary to the Government of Madras,

Home (Education) Department.

Sir,

I have the honour to report that E. Sivarama Menon, now a student in the Medical College was admitted in the Engineering class of the Engineering College at Guindy at the beginning of July last, after paying a total sum of Rs.154/- as fees for the whole year in advance including the usual recreation fee of Rs.4/- and the room rent of Rs.10/-. After attending the class on the first day, he left the college with the permission of the Engineering College authorities and joined the Medical College. As he has paid the fees for the whole year in advance and attended the class only for a single day, he now requests refund of the amount due to him after deducting the fees for the first instalment.

2. Rule 48 of the Rules of the College of Engineering clearly states that fees shall, under no circumstance, be returned after a student has been admitted to the institution. Although refund of fees is inadmissible under the Rules of this College, the rules permit payment of fees either in instalments of Rs.18/- each or Rs.140/- for the whole year in advance. If the student in question had paid only the first instalment of his fees and not the whole amount for the year in advance, he would have lost only Rs.18/- and not the whole amount of Rs.154/-. This seems to me to be very hard, and much more so as this is the only Government institution the rules of which do not allow refund of fees; obviously Rule 48 of the Rules of the Engineering College needs revision and that will be considered -- along with the general revision of rules now pending.

3. In view of these considerations I have therefore the honour to request that Government will be pleased to sanction, as a special case, the refund of the amount of Rs.136/- to the petitioner, the -- balance due to him after deducting Rs.18/- for the first instalment.

I have the honour to be,

Sir,

Your most obedient servant.

Dubonhmanth Chell
for Director of Public Instruction.

If the number of students is limited
the College will lose the fees of this
student for at least one year. ^{perhaps} but in
the College still hosted. I doubt.

It would be as well at all events
to get the facts. Did his entry at
the Engineering College prevent the
entry of some other person, & if so
for how long?
