To The Secretary to the Government of Madras,

L a w (Education) Department.

Sir,

In G.O.No.1522 Home(Education) dated 17-12-1920, the purchase of three instruments "New Astronomical Model" for the use of certain Government Colleges at a cost not exceeding -- £32/- each has been sanctioned. In sending the invoice relating to their cost, Mr. Wilson states that he has sent also two supplementary models on his own responsibility, as all "New Astronomical Models" sent out to India, he states, have had these extra -- models which add a little to the cost but are of great value. A copy of his letter dated 3-2-21 and a printed circular containing a description of the supplementary models are submitted herewith. According to the invoice the cost of each set is -- £38-4-2 and of the three sets £114-12-6 as shown below:-

	Each	3 Sets.
1. New Astronomical Model.	32 0 0	96 0 0
2. Moons Orbital model.	0 15 0	2 5 0
3. Eclipse Limit Model.	0 15 0	2 5 0
4. Packing case and packing.	3 0 0	9 0 0
5. Freight and Insurance.	1 14 2	5 2 6
Total.	38 44 2	114 12 6

I have the honour accordingly to request the sanction of Government for the enhanced cost from £32/- to £38-4-2 for each

set for the use of the colleges referred to.

The favour of early orders is requested so that arrangements may be made for the payment of the amount before the 31st instant, if the articles arrive safe and sound.

I have the honour to be,
Sir,
Your most obedient servant.

Letter from William Wilson, dated 3rd February 1921.

On the 29th ultime I wrote you intimating that the three Astronomical models had been despatched that day and now the Shippers Account for freight and Insurance has come to hand and been paid so I am in a position to forward the complete accounts which you will find enclosed.

I have no copy by me of my previous letter and do not remember whether or not I made any reference to the supplementary models printed information regarding which I enclose. Since the circular was issued relating to three supplementary models almost without exception they have been specified in the order. As required all models sent to India have had three extra models so I am taking the responsibility of sending them, they add very little to the cost ~~mixing~~ and are of such great value ^{though not expensive in your mind} that I feel sure you will be glad to have them sent. I am now getting some models ready for Mysore.
