From (Name) R. G. Grieve, Esq., M.A., F.R.G.S., M.L.C.,

(Designation) Acting Commissioner for Government Examinations.

To The Secretary to the Government of Madras,

Home (Education) Department.

Sir,

In their order No. 1360, Home (Education), dated the 22nd October 1918, Government have empowered me to sanction the payment of honoraria to examiners if the remuneration is calculated at the rates laid down by Government, and the Accountant-General is authorised to pass bills for payment of honoraria supported by my certificate. In para 3 of the letter from the Government of India (Department of Education, No. 749, dated the 31st August 1918, read in the Government Order quoted above, it is stated that the local Government can authorise the Accountant-General to pass bills for such honoraria as may be supported by a certificate of the Registrar of

of Departmental Examinations or of some other authorised official that certain specified work had been done.

2. I submit herewith a copy of the scale of fees for setting question papers, valuing answer papers, &c. which has been in existence for some years in connection with the Training School-Leaving Certificate Examination, the conduct of which was transferred to me in G.O.No.1491, Home (Education), dated the 3rd December 1919. The basis of this scale is found in G.O.No.733, Educational, dated the 21st September 1891, the variations being due presumably to changes introduced from time to time in the details connected with the examination. I have the honour to request therefore that the sanction of Government may be accorded to the adoption of the existing scale and that the Secretary to the Commissioner may be authorised to sign the certificates in support of bills for fees under the Commissioner's orders. A similar sanction was granted at my request in G.O.No.134, Home (Education), dated the 31st January 1919, in which Government sanctioned the scale of fees in connection with the Special Test Examinations.

3. In the scale herewith submitted, I beg to propose a slight change in respect of the fee for valuing answer papers in Drawing.

All Examiners in Drawing meet at Madras in my office and value the papers; each examiner is allowed Rs.5 per day irrespective of the number of papers valued by him. This system of paying a lump remuneration for each day does not appear to me to be satisfactory. It seems desirable that examiners should be paid at so much per paper as is done in the case of the other subjects. The question paper in Drawing is one of three hours duration in both the grades (Secondary and Elementary) and I propose a fee of 3 annas for each paper.

I have the honour to be,

Sir,

Your most obedient servant,

W. Hobday
for Ag. Commissioner.
