The allowances have been ⁴/₆
f sanctioned on the analogy of
Rule 83 of the Madras Educational
Rules. When the allowance for
the year 1918-19 was sanctioned
the question was exhaustively
examined, whether it was
admissible to the teacher in the
School. The point was that it
was ~~not~~ admissible only if it
was a School under public
management, but otherwise
it would have to be treated as
an aided School, in which case
the rules in the Grant-in-aid
Code would ~~not~~ apply. It
was recognised that
strictly speaking, the allowance
was not admissible but it
was admitted as a special case.

In the above discussions
it was stated that with
effect from 1919-20, the School
will be included in the
aided list and the grants
admissible under the Grant-in-
aid alone given. ~~But it is~~
not clear it is not clear under

what circumstances the School was not included in the aid list for the above year. Gross are requested whether ~~the~~ Law (Gross) may be requested to throw further light on this point or the subject might be dropped as the allowance ^(for 1919-20) has been ^{already} paid and the amount involved is small.

(gross already sent on 10-3-21)

(The ~~the~~ Director of Public Instruction has been asked to give grants under the grant-in-aid code as a special case in 1920-21 and to include the School in the list of recognised schools eligible for aid from 1921-22 onwards. The question ^(functioning special) of allowances for the teacher in the school for the year commencing ^{from} ~~1920-21~~ will not therefore arise).

4 Rs. 39 law (Gross) 8
7-1-21 + 1/2 (Gross)
will be paid.
