Board's Reference B.1964 of 33-5 dated 12-10-33.

I enclose a draft amendment to the notification published in G.O. No. 449 Home (Education) dated 23-3-21.

2. Thorappadi is a village situated just outside the limits of Vellore Municipality. The actual extent of S.No.358/B.2 in this village is 18 x 18 or 324 square links, but in the G.O. communicated with the Board's Reference quoted above, it has been noted as 436 square feet. I request that the extent may be corrected into one cent or 324 square links.

Draft Amendment.

Alienation - Land-(North Arcot) - Vellore Taluk - North Vellore town and Thorappadi Villages - Transformer sub station -

The extent of poramboke S.Nos.1 to 27, 29 to 33 etc. is 136 acres. Deducting the extent of 144 Sq. feet in T.S. No.3-1-A alienated in G.O. 1800 Mis.Revenue dated 7-10-33, in favour of the Vellore Electric Supply Corporation, the extent that should be shown in the draft amendment to the notification should be 135 acres 43, 416 sq. feet. But the extent is noted as 135 acres 7701 Sq. ft. in the notification. The Collector is requested to explain the discrepancy and to report how the extent of 135 acres 7701 sq. ft. has been arrived at.

2. The Board requests that it may be furnished with a copy of G.O. 449 Home (Education) dated 23-3-21.

The extent of 135 acres and 7701 Square feet adopted in the draft amendment is not correct.

No.449 Home (Education) dated 23-3-21 is 136 acres and 315 square feet, but it has been rounded to the nearest acre and noted as 136 acres in column 6 of the schedule.

Sub Division 3 was leased out to Madhi Hussain Sahib, Vellore for a period of 3 years from 1-4-33 for erecting a motor shed. These extents were previously proposed to be excluded from the protected area. The leases are subject to the condition that the sites should be vacated within 24 hours' notice. As the occupation is not of a permanent nature and as the leases are terminable at any time, the extents leased out are not proposed to be excluded from the 'Protected' area.

(ii) T.S.No. 3/1 was further sub divided into 1 A and 1 B and sub division 1 A measuring 144 square feet was alienated in favour of the Vellore Electric Supply Corporation. The net actual area after excluding this extent is 136 acres and 171 square feet. As the total extent was already rounded and adopted as 136 acres, no amendment is necessary to column 6 of the schedule.

4. T.S. No.3 is one of the fields noted in column 3 of the schedule. Its further sub divisions, except S.No.3/1 A alienated, have to be noted in column 3. I am therefore submitting a revised amendment in regard to column 3 alone for approval.

Draft amendment.
