G.O. No. 454, 23rd March 1921

Further sum of Rs. 31,857 distributed among local bodies for the payment of an allowance of Rs. 4 per mensem to elementary school teachers.

READ—the following paper:—

Letter—from R. G. GRIEVE, Esq., M.A., Acting Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department.

Dated—Madras, the 18th March 1921.

No.—Ref. on Cur. 6776/20.

With reference to paragraph 3 of G.O. No. 953, Home (Education), dated 17th August 1920, I have the honour to address Government regarding the adjustment of subsidies granted to local bodies for the payment of the allowance of Rs. 4 per mensem sanctioned in G.O. No. 499, Financial, dated 1st June 1920, to the teachers employed in the elementary schools under their management.

2. District boards and municipalities were requested to furnish this office with statements giving information on the following points:—

(a) the number of teachers actually employed in the elementary schools under their control during 1920-21,

(b) the amount required for eleven months during the current year for the payment of Rs. 4 per mensem to such teachers, and

(c) the amount still due or the balance standing in their favour.

The replies which were received after repeated reminders have been consolidated in the enclosed statement * Annexure A. Replies are still due from the District Boards of South Kanara, Koppal and Ramnad and the Municipal Councils of Anantapur and Palni and, in their cases, the adjustment of subsidies is not possible at present.

3. From a reference to column 7 of * Annexure A, it is observed that most of the local bodies are in need of further funds for the payment of this temporary allowance to elementary school teachers. It is only the local bodies shown in * Annexure B that have a balance left out of the subsidies allotted to them. I suggest that the amounts which are thus left over with them (Rs. 1,996 for district boards and Rs. 3,598 for municipalities) may be resumed.

The District Board of Cuddapah and the Municipal Councils of Tirupati, Proddatur, Narasaraopet and Dindigul have, in their statements, included provision for the payment of the allowance of Rs. 4 to peons and conductresses also and as the allowance is admissible only to *teachers*, the provision made by them for peons and conductresses has been disallowed.

4. I request that the Accountant-General may be instructed to place the amounts noted in column 7 of * Annexure A aggregating Rs. 31,857 (Rs. 24,381, for district boards and Rs. 7,476, for municipalities) at the disposal of the local bodies concerned at a very early date. The expenditure may be met from the balance available under '22-E. Education (iii) Payment in support of municipal and local board schools'. I may mention, however, that the subsidy already sanctioned in G.O. No. 953, Home (Education), dated 17th August 1920, was met from the reserve at the disposal of the Financial Department—vide G.O. No. 848, Financial, dated 23rd September 1920.

* Not printed.

Order—No. 454, Law (Education), dated 23rd March 1921.

The Government sanction the distribution of further subsidies amounting to Rs. 31,857 among local bodies as shown in Annexure A to these proceedings towards the payment of the allowance of Rs. 4 per mensem sanctioned in paragraph 9 of G.O. No. 499, Financial, dated 1st June 1920, to the teachers employed in elementary schools under their management.

2. The Accountant-General is requested to place the amounts at the disposal of the local bodies concerned before the 31st March 1921.

3. The expenditure will be met from the balance of the provision of Rs. 44,38,000 for payments in support of municipal and local boards schools under the head "22-E. Education—Government Schools—General" in the Civil Budget Estimate for 1920-21.

4. The local bodies mentioned in Annexure B have unspent balances with them out of the subsidies allotted in G.O. No. 953, Education, dated 17th August 1920, and these will now be resumed. The local bodies in question are requested to surrender the amounts shown against each before the 31st March 1921, and report the fact of their having refunded the balance into the treasury.

(b) Each letter, memorandum, or order, or set of orders, in the file of correspondence should be headed in succession with the Roman numeral I, II, III, etc., the number being written in red ink or blue chalk above the item. The particular papers to be printed in the special issue-copies should be indicated by the Roman numeral (I, II, etc.) by which that item has been headed in the correspondence file. All matter, including marginal remarks or references, to be printed should be written in ink and matter which should not be printed should be encircled. Initials and signatures that are not quite legible should be re-written distinctly.

(d) In the absence of special instructions to the Press to keep matter standing for a specified period, ordinary papers of 8 pages and under will be kept standing for one week, and larger papers for two weeks only. The type of notes and of all confidential papers is distributed immediately after striking.

(e) This slip, properly and completely filled in, should accompany every paper sent to Press; it will be returned by the Press when proofs are furnished; it should be sent to the Press when a call is made for revised proofs or when a corrected proof is sent for striking. When finally returned by Press it should be filed with the original order or letter.

INSTRUCTIONS FOR THE PRESS.

(a) If, in the opinion of the Superintendent of the Press, a paper has been marked urgent unnecessarily, he should send the Press slip to the Registrar with a remark to that effect.

(b) Unless a note to the contrary is made against the matter, pencil entries should not be printed. The Superintendent of the Press may bring to the notice of the Registrar any instance of incomplete or careless editing.

(c) Signature copies of letters to the Secretary of State or to the Government of India should be printed on hand-made paper.

(d) This slip should be returned by the Press to the Secretariat when proofs are furnished; it will be sent back to the Press when proofs are returned corrected and should be finally returned to the Secretariat when struck-off copies are supplied.

(e) The names of the Secretary and Members should be printed in full when they occur on the right hand side, only the first time when they appear on the left side, the initials alone being printed later.
