Station M a d r a s, Dated the 1st February 1921.

From (Name) R.G.Grieve, Esq. M. A.,

(Designation) g. Director of Public Instruction,

M a d r a s.

To The Secretary to the Government of Madras,

Law (Education) Department.

Sir,

With reference to G.O.No.51 Law(Education) dated 8th January 1921, I have the honour to state that of the new night --- schools included in the proposals submitted with my letter R.C.No 4261 of 1920 dated 25th November 1920 only two are known to have been already opened. I give below a statement showing the amounts recommended on their behalf:-

District.	Taluk or Municipality	Name of School,	Amount recommended to be paid during--
			1920-21.
1. The Nilgiris.	Ootacamund(Municipality)	Night School,	Rs.
		Ootacamund.	130.
2. Coimbatore.	Coimbatore(Tk. Board)	Night School, Cheyyur.	25.
		Total	Rs. 155.

2. As all the necessary particulars have already been given in regard to the above two night schools in the statement A forming

an annexure to my letter R.C.No.4261 dated 25-11-1920- vide particulars against schools Nos.76 and 95 therein,I give below only a brief note in each case.

(i) Night School, Ootacamund:- School No.76 in statement A appended to my letter R.C.No.4261 dated 25-11-1920. This school was started on 24th May 1920 and a provincial subsidy equal to half the expenditure to be incurred on its behalf from the date of its opening ~~xxxxxx~~^{ing} has been recommended to be paid to the Municipality in my original proposals (the Municipal Council having undertaken to meet from its own resources the other half¹-vide column 14 against school no.76 in statement A appended to my letter referred to above. The chairman has written more than once to ask for the payment of the subsidy.

(ii) Night School-Cheyur-Coimbatore Taluk Board-School No.95
in Statement A ^{annexure} ~~appended~~ to my letter R.C.No.4261 of 1920 dated ---
25th November 1920. This is a school started by a private indivi-
dual for the benefit of the children of Valayars, who come under the
Criminal Tribes Act. The Coimbatore Taluk Board, resolved to take ---
this school under their management with effect from 1st March 1920
and to apply for a Government subsidy. Since, however, the Taluk --
Board have not stated definitely that the subsidy to be granted --
should cover the cost of the school from the date of its coming
under their management, a subsidy for two months only was recommend-
ed in my original proposals to be paid to the Taluk Board during
the current official year, just as in all other cases except Night
School, Ootacamund referred to supra-vide Cols.12 and 13 against
school serial No.95 in statement A forming annexure to my letter referred
to above. I am repeating the same recommendations here.

3. In this connection I beg to enquire whether I am right in pre-
suming that Government have no objection to sanction the proposals
for strengthening the staffs of the existing night schools, submitted
along with my proposals for the opening of new night schools- vide
statement B appended to my letter R.C.No.4261 dated 25-11-1920.
I request that Government will be so good as to pass ^{formal} ~~final~~ orders

thereon as early as convenient. The annual recurring cost of these proposals is only Rs. 1524/-

4. I might point out also that the budget allotment for opening night schools was small, being only Rs.22,000/- and that the complete rejection of my proposals cannot but affect ^{adversely} ~~obviously~~ the spread of education. I would suggest that at least the proposals might be accepted with effect from the beginning of the financial year 1921-22.

I have the honour to be,

S i r,

Your most obedient servant.

Dunbar and Chish

Night Schools

Law (Ed.)

C. 448/A, from the D. P. J., R. O. 4261,

The Subscribers asked on behalf of the Gatareanund Municipal Council and the Coimbatore Taluk Board may be placed at the disposal of the local bodies concerned.

2 With refer. to para 3 of the Director's letter, it is ruled: that the Chief Secy.'s note of 10 of notes to G.O. No. 51 Ed. No. 4/8.1.21 seems ~~not~~ to prohibit solely the opening of new schools. At any rate the proposal to strengthen the staff of night schools opened in 1918 has not been specifically thrown out. In view of the fact that the amount involved is comparatively small (Rs 1,524), Financial may be asked if they would ~~agree~~ ^{agree} to this part of the proposal being approved.

3 Referring to para 4 of the current letter, there is a provision of Rs 22,000 for opening night schools in the C. B. E. for 1921-22.

with his letter dated 25-11-20 the
D.P.I submitted proposals for the utilization
of the provision of Rs 22,000 in the current
year's budget for the opening and
maintenance of night and continuation
schools. These proposals related to

- (i) the opening of 96 new schools in
municipalities & local Board areas, at
a cost of Rs 14,360, ~~per annum~~ and
- (ii) the strengthening of the staff of 7 schools
opened in 1918 at a cost of Rs 1524 p.a.

The proposals were examined in detail
in this department and accepted
by - vide notes on pages 5-7 of notes
to G.O. No. 51 Law (Eds) of 8.1.21.

2. Subsequently, in his note dated
28-12-20 the Secretary noted that in
view of the financial stringency in the current year
it would be better not to open any more
new schools at present. The Govt.

(2) accordingly declined to sanction the opening of ^{further} new schools - G.O. No. 51 Ld (204) D. 8.1.21. The D.P.I. was at the same time requested to report the exact amount required to be placed at the disposal of local bodies for any new schools that might already have been opened in the current year.

3. The D.P.I. reports that only two new schools were opened, one by the Ootacamund Municipality and the other by the Coimbatore Taluk Board. The subsidies asked for on behalf of these schools, amounting to Rs 155 during the current year, may be placed at the disposal of the local bodies concerned.

4. With reference to paras 3 and 4 of the D.P.I.'s letter on pp 2-3 CF. and paras 2 to 3 of the Law Dept. note on pages 1-2 ante, subd. that there seems no objection to the D.P.I.'s proposals for the opening of new schools and for strengthening the staff of the existing schools, ~~being given effect~~ which have already been accepted in this Dept, being given effect to from 1-4-1921. allotment of Rs 22,000 in the next year's budget for the opening of night schools. The proposals may be sanctioned after the allotment is passed by the Council.

5. The question of resuming the savings in the allotment in the current year's budget under '22-Education' is being examined separately. The surrender in the present case will be taken into account in that connection.

6. The case may, it is ruled, be returned to Law (Edn.) co.
