From (Name) R.G.Grieve Esq., M.A.,

(Designation) Ag. Director of Public Instruction,
Madras.

To The Secretary to the Government of Madras,
Home (Education) Department.
through the Accountant General, Madras.

Sir,

I have the honour to request that, in the circumstances explained hereunder, Government may be pleased to sanction the permanent retention of the temporary teacher on Rs.20/- per mensem in the Government Girls' School, Vallam, with effect from the 1st February 1921.

2. The post which was first sanctioned temporarily for one year in G.O.No. 65 Mis. Educational dated 16th

January

January 1914, has been renewed year after year, and the sanction last accorded in G.O.No. 371 Home (Education) dated 25th March 1920, expired by the 31st January 1921. The total average strength of the school which has been uniformly maintained at 110 since 1916, stood at 109 for the year 1920 distributed among 7 standards as

Standard	Strength	
I	52	
II	25	
III	15	
IV	7	
V	6	
VI	3	
VII	1	
Total	109	

detailed in the margin. According to Rule 81 of the Madras Educational Rules there should be at least 5 teachers on the staff of the school, while the sanctioned scale of staff consists of only 5 teachers, including the temporary teacher on Rs.20. I therefore recommend that the post may be permanently retained with effect from the 1st February 1921.

3. Provision for the salary of the teacher has been included in the Budget Estimates for the current and ensuing years.

4. The sanctioned scales of staff and pay are as given hereunder:-

	Rs.
Headmistress (temporary)	20
1 Assistant	14
3 Assistants each on	13
1 Peon.	8

I have the honour to be,

Sir,

Your most obedient servant,

For Director of Public Instruction.

of getting the prescribed agreement as there is no one to claim the monument. In view of these circumstances, I think the Government will have to assume its guardianship under Section 4 (6) of the Act and then undertake the repairs. Before assuming such management, the monument has to be declared a protected monument under Section 3 (1) of Act VII of 1904, by the issue of a Notification inviting objections if any. If as the result of the Notification, no objections are received, the guardianship of the monument may be assumed by Government and then the repairs will have to be undertaken by Government. If the Government agree in these views, the necessary draft Notification will be submitted.
