Appln for permanent exemption from the L.S. test

W.S.

The S.E.I. circle applied last year for the permanent exemption of R. Kancherattam, Sub overseer, from the L.S. test. As the sub overseer had not been tried in executive work ~~the~~ he was recommended for temporary exemption & the S.E. was requested to try him in outdoor work and report if he was efficient in that. The S.E. now says that the suboverseer's out door work is satisfactory. ^{In this connection} please see this department's note app 4-5 of memo R. 5644C & 24.8.20. In view of the difficulty of obtaining qualified sub overseers it is for consideration if in the circle the permanent exemption asked for may ~~perhaps~~ be recommended

to The Rans (Eds) Dept for sanction. The list of technical engs passed by the man is at page 3 of memo ~~7~~ order no 5644C. He has passed the technical tests presented for appnt- as a minor Engr sub overseer.
