(Designation) Acting Director of Public Instruction

To The Secretary to the Government of Madras,

Sir,

I have the honour to invite your attention to the Government Orders recently issued constituting the District Educational Councils and to state that the numbers of the Circle Inspectors concerned as stated in some of them are incorrect as the following statement will show:-

Designation of Inspector Civils.

(G)

In G.O. No. 11226, of 4-12-22, the revised designations of Inspectors' circles proposed by the D.P.D. in annexure I B to his letter on page 4 of me. 2 were approved. Vide the first sentence of para 1 of the G.O. These revised designations have been followed in the orders constituting St. Col. Councils. The D.P.D., however, seems to be following the older designations in respect of circles I to XIII and to have assigned the Nos. XIV, XV + XVI to Nanaimo, Southport and Coimbatore respectively instead of to Coimbatore, Mahabaleshwar and Southport as proposed before. As the designations adopted in the G.O. constituting St. Col. Councils are those which have been approved by Govt., it does not seem necessary to change them.

I spoke to Mr. Greene on the telephone who said he would look up the matter and let me know in the course of the day. CR

The P.A. to the D.P.I telephoned to me this afternoon ~~that~~ to the effect that the numbers in the Appendix to the Director's letter were only serial numbers & not circle numbers & that it would therefore be better ^{in fact} to issue correction memo to the fo. already issued. On a reference however to the appendix it is observed that the numbers are clearly indicated as Circle numbers & not as serial numbers. The Govt. having in their order No. 1426. 84.12.20 definitely approved of the redistribution of circles with the revised numbers as shown in the appendix and these numbers having been used in the fo. re. St. Ed. Councils it ~~will~~ not be advisable to issue Correction memo to the fo. The notifications with the revised circle nos. are to appear in tonight's gazette and in the absence of a revised fo. altering the circle nos. already approved the nos. in the notifications cannot well be altered. In the circumstances it would seem best for the D.P.I to issue circulars to inspectors intimating them of the revised

The Appendix was, I find, incorrectly faircopied. ~~for~~ ~~for~~ ~~for~~ There will be confusion in any case, I'm afraid; but the necessary action will be taken though I am bound to point out that it involves a good deal of trouble, & I should have preferred to make a few changes as possible pending the sanction of an Inspector for each District.
