Sir,

According to the scheme of special scholarships for poor pupils in European Schools approved in C.O.No. 637, Educational, dated 8th July 1913, the number of High school scholarships available is one for boys and one for girls. The Inspector of European Schools who is empowered to award these scholarships promised early in June last both of the scholarships to male candidates, no applications from female candidates having then been received. The Principal of the Queen Marys College having recommended an Anglo-Indian student, Miss Francesca Ronda who passed the High School Examination of 1919 and who was reading in the First year class of the college for a High School scholarship, the scholarship previously promised

Are these scholarships awarded annually?
If so, this might be taken against

Please see G.O. 637 ED² & 8.7.13 in which
Govt. sanctioned two high school scholarships for
poor pupils in European Schools. The period for which
the scholarships should be tenable in the case of Each
individual has not been specified. Apparently
the D.P.S. awards these scholarships periodically
subject to the condition that the number does not
exceed two at any one time. Perhaps ED² may be
requested to ask the D.P.S. to take the amount
which will be given to E.R. D' Silva into account
when the scholarships are awarded to future
candidates.

The Financial office note on p. 2 ante does not seem to be correct. In sanctioning two high school Scholarships (one for male & one for female students) in G.O. no. 6878, 8.7.13 the intention ~~was~~ is that the two Scholarships are to be awarded every year. As these Scholarships are tenable for a period of two years there may be four Scholarship holders during any one year. Vice chairman of the State ment on p. 2 of note to the G.O.

2. With reference to the Finance Secretary's remarks on p. 2 ante the draft has been amended. It is for orders whether it may issue as amended.
