From (Name) Mr. The Hon'ble R. Littlehales, M.A.,
(Designation) Director of Public Instruction,

To The Secretary to the Government of Madras,
Home / Education / Department.

Sir,

I have the honour to submit the enclosed plans /bearing Nos. 28 E/1 and 28 E/2/ and estimates amounting to Rs. 6,300/- for constructing a small bungalow to be used as Sergeant's quarters in the Civil Orphan Asylums, Madras, and to recommend that under article 57 of the Code of Regulations for European Schools a grant not exceeding half the total cost may be sanctioned payable when funds become available.

I have the honour to be,

Sir,

Your most obedient servant,

For Director of Public Instruction.

N.V.S.

E. W. NOTE.

The plans and estimate of Rs.6,300/- for constructing a Bungalow for Sergeant's quarters in the Civil Orphan Asylum, Madras received from the Director of Public Instruction, have been examined in the Chief Engineer's office and they call for the following remarks :-

- (a) The height of basement is only 1'-6" above Ground. In the absence of ground levels with reference to the plinth level of the existing building in the vicinity, it could not be decided whether the height of 1'-6" would be sufficient in this case.
- (b) The sill of windows in the main rooms is 0'-6" ^{above} ~~high for~~ the floor. The necessity for lowering the sill and proportionately raising the height is not apparent.
- (c) Rates are very high and they should be supported by detailed data.
- (d) The provision of Rs.360/- against unforeseen works is considered unnecessary and should be omitted.

II. With these remarks, the plans and estimates may be returned to the Director of Public Instruction.
