Dear Sir,

(K) With reference to the correspondence ending with the
letter from this Department dated 1st April, 1920, No. R. & R.
601, I beg to forward herewith a copy of a letter from His
Majesty's Stationery Office, with its enclosures, giving details
of a scheme under which Record Office publications could be
supplied to the Madras University Library.

Yours faithfully.

William Foster

Registrar and
Superintendent of Records.

11th March, 1921.

Sir,

Adverting to the previous correspondence relative to the grant of certain Record Office publications to the Madras University, I beg leave to acquaint you for the information of the Secretary of State for India that arrangements for the disposal of surplus Record Office Works have now been approved by the Lords Commissioners of His Majesty's treasury. Under these arrangements I have no authority to make an unconditional free issue of the books required by the Madras University Library but, if it is so desired, the Library could be supplied under the scheme outlined in the attached circular.

I am, etc. L.G. Scorgie,
for Controller.

The Under Secretary of State for India,
Record Department,
India Office,
S.W.1.

In any reply to this letter
the following reference should
be quoted:—L. 1803/20.

.....1921.

DEAR S.

I beg leave to send you herewith a copy of the Catalogue of Record Office Works published by this Department, and to call your attention to the following offer which is made with the sanction of the Lords Commissioners of His Majesty's Treasury, in order to enable Libraries and Institutions to complete their sets of these important and valuable works.

Fifty volumes, to be chosen from the catalogue, will be sent to you free of charge and carriage paid on the following conditions:—

1. That you undertake to purchase through this Office all future Record Office Publications for a period of 15 years. It is not known how many there will be, but the present intention is to publish not more than 10 volumes annually, the price varying with the size of the volume and the cost of production. The last volumes issued were priced at 25s., and it is not probable that this price will be much exceeded in the future.

2. That your Library is accessible to *bonâ fide* students.

3. That you will not part with any of the 50 volumes supplied under this arrangement until the expiration of 15 years, and that if you cease to subscribe for the new volumes you will return the above mentioned 50 volumes to this Department. At the end of the 15 years the volumes will have become your absolute property.

Yours faithfully,

L. W. HILL.
