NOTES CONNECTED WITH G.O. No. 589, LAW (EDUCATION),
DATED 14TH APRIL 1921.

[SUBJECT.—*Funds of District Educational Councils and Elementary
Education funds.*]

Under section 29 of the Madras Elementary Education Act, 1920, the fund of each District Educational Council shall be lodged in such bank or Government treasury as the Government may direct. Section 31 provides that the accounts of every District Educational Council shall be examined and audited by an officer appointed by the Government in this behalf.

2. Similar provisions are made in sections 33 and 39 of the Act in respect of the Elementary Education fund constituted under section 32.

3. The Accountant-General may, if it is submitted, be requested to advise the Government as to the instructions to be issued in respect of the lodging of the two funds in question and the appointment of auditors to audit the accounts of the funds.

ACCOUNTANT-GENERAL'S OFFICE.

As regards the funds of the District Councils I would advise that the councils may be given the option of placing their funds either at the district treasury or at the branch, if any, of the Imperial Bank at the district headquarters. As regards the Education funds of the local authorities I would advise that these funds be lodged in the same place as the other funds of the local authority concerned. The reasons for my suggesting this course are (1) that there are ordinarily no branches of the Imperial Bank at the headquarters of the local authorities, (2) that the scheme of accounts recommended by the Local Fund Accounts Committee provides for the transactions of the Education funds being booked under a subsidiary deposit account in the main account of the local authority concerned.

As regards audit, the Examiner of Local Fund Accounts who, with his staff, will shortly be transferred to the control of the Finance Department of the Local Government is the appropriate officer for the purpose.
