Station Madras, Dated the 23rd November. 1920

From (Name) The Hon'ble Mr. R. G. Grieve, M.A.,

(Designation) Ag: Director of Public Instruction,

To The Secretary to the Government of Madras,

H o m e (Education) Department.

M a d r a s

Sir,

I have the honour to address Government on the question of appointing a woman assistant to the Inspector of European Schools for the following reasons:-

2. There are 92 European Schools of which 47 are for girls and 45 for boys, the number of girls' and boys' high schools being 18 and 12 respectively. The middle and primary departments of boys' schools are for the most part staffed

staffed by women teachers, and of the 33 boys' middle and primary schools, 28 are mixed and the percentage of girls attending such schools varies from 15 to 67. The appointment of a woman officer for the inspection of girls' middle and primary schools and for assisting in the inspection of girls' high schools is therefore, I consider, very desirable. The woman assistant will also examine boarding arrangements, the teaching of Needlework and Domestic Science in all girls' schools, and, wherever required, will give model lessons in accordance with modern kindergarten principles. A woman inspecting officer will naturally be able to get into much closer touch with the women teachers and on this account she will be in a better position to help to raise the present low standard of efficiency in many of the European middle and primary schools throughout the Presidency.

3. As the post of assistant to the Inspector of European Schools is now in the Provincial Educational Service for men, I recommend that it may be temporarily included in the Provincial Educational Service (~~cadre~~) for women. The appointment of a woman assistant to the Inspector of European Schools may be sanctioned temporarily in the first instance, and if it is subsequently found that the schools become more efficient and that better progress is secured, the post may then be permanently transferred to the Provincial Educational Service cadre for women.

4. I request that sanction may be given at an early date to enable me to appoint Miss Maud Chatterton as Assistant to the Inspector of European Schools on her return from furlough (from England) next month.

I have the honour to be,
S i r,
Your most obedient servant,

For Director of Public Instruction

Subject - Appointment of a woman asst
to the Inspector of European Schools.

There is at present a post of Asst
Inspector of European Schools in the
P.E.S for men. The D.P.I. ~~proposes~~ ^{proposes} to appoint
as an ~~experimental measure~~ ^{experimental measure}

The desirability of appointing a woman
assistant was pointed out by the Director
also last year. The proposal may now
be accepted. As regards the question
of including the post in the P.E.S for
women it is submitted that the ~~post~~
~~service~~ ^{service} has not yet come into existence.
The D.P.I.'s proposals for the formation
of such a cadre have been approved
but as they ^{may} ~~require~~ ^(under existing rules) the sanction of

Miss Maria Chatterton has been
granted a further extension leave
by the Leg of State for three months
from 10.12.20. The grounds given
by the D.P.I. do not now
exist.

2 It is not clear that the D.P.I. proposes
to keep the post of Assistant Inspector in
the Meris Service in abeyance during
the period of the employment of the
Assistant Inspectress. The only basis for this
presumption is that furnished by the first
sentence of para. 3 of the letter. ~~This is~~
~~is however that proper course~~
~~may be clear upon~~ to follow.

④ As already pointed out in the notes
to p. 1491-3 3.12.19, there is little necessity
for an assistant to the Inspector much
less for two assistants. They are only 92
schools to be inspected. If assistance
is needed it can be with reference to

* including elementary

quality of work to be done & not the quantity. In the view the appointment of an Assistant Inspectors may be approved. It has to be definitely ascertained that the D.P. Dagher to keep the other appointments in abeyance during the period.

A

The schools are scattered throughout the Presidency. And in the present stage of curricula, the inspection of women's schools is a big affair. I accept the D.P. D's report as to the necessity for the appointment.

2. As the P.E.S has not been sanctioned, the proposed appointments may be treated as special.

3 Mrs. Chatterton is drawing Rs 200 on a scale of 150.50.200. She may draw Rs 220. For the present the appointment is to be temporary for one year. When the P.S.S is created, the post may be included in the cadre.

4 A alone: I presume this is correct.

A in the Secretariat notes is correct. As

Miss Chatterton has got a further extension of leave until the 10th March 1921 there is now no urgency in the matter. Perhaps by the time that she returns the Provincial Educational Service for women may be formed.

Submitted for orders as to

- (1) whether the file may be over until the Provincial Educational Service (women) is formed, or,
- (2) whether the proposal to sanction a temporary appointment for one year may be proceeded with as it is not certain when the P.E.S. (women) will be finally settled.

In the latter case, a rate of pay has to be fixed and the remarks of financial incurred on the proposal.

2 Miss Chatterton is due from leave on 14.12.20. The file may be over her on 14.12.20. when it may be put up for orders.

Attention is solicited to notes on pages 4-6 of
notes to S.O. 1491 Ed. 8 3-12-19. It was pointed
out therein that, with the transfer of the control
of training schools from the Inspector of
European Schools to the Circle Inspectors, the
former ~~might~~ not have the necessity for an
Asst Inspector - a post included ~~in~~ in the
cadre of the P. E. S. (men's branch). The post of
Asst. Inspector was however not abolished at

that time as a temporary arrangement in
view of the special circumstances then existing.

2 It is now proposed to transfer the
post temporarily to the P. E. S. (women's branch).

Please see D. P. S's letter on pages 1-2 CF, and notes
on pages 2-3 and. It is stated that in the
present stage of the curricula the inspection
of the Women's schools is a big affair. Nothing
has however been given ~~to~~ to show that
the work relating to the ^(inspection of) European schools will
give full-time work for two officers - an
Inspector and an Assistant. For orders
whether the continuance of the post of Asst.
Insp. either in the men's branch or in the women's
branch will be accepted without further
justification.

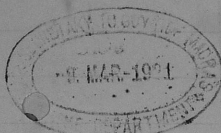

3 If the post is to be continued, the proposal
to include it in the women's branch temporarily
may be accepted. The procedure proposed
by Ed. Dept., viz to create a temporary post
in the women's branch and to keep a sanctioned
post in ~~abeyance~~ the men's branch in abeyance
seems however objectionable. The proper course
seems to be to abolish temporarily a post in
the men's branch, which the Local Govt. can
sanction, and to create a temporary post
in

in the women's branch.

4 Miss Chatterton, if appointed to the post newly created, will have her initial pay fixed under the ordinary rules.
